31 July 2026

**1 x R 10 000**  
if you apply by  
30 September 2026

## BURSARY BENEFICIARIES 2025

Beneficiary of  
**R 20 000 Bursary:**

**Karlin Pather**  
Studying B Com at  
University of KwaZulu-Natal

Beneficiary of  
**R 15 000 Bursary:**

**Suvarn Devan**  
Studying B Sc Electrical Engineering  
at University of KwaZulu-Natal

Beneficiary of  
**R 12 000 Bursary:**

**Zokwethemba Gasa**  
Studying Higher Certificate in Business  
Administration at Richfield

Beneficiary of  
**R 10 000 Bursary:**

**Zahra Singh**  
Studying BA Philosophy Politics and Law  
at University of KwaZulu-Natal

Apply early to our partnering further and higher education institutions listed in this Handbook and you will be automatically entered into the monthly draw!

\* Your completed application form and administration fee must reach the CAO on or before the end of the months indicated. *Terms and Conditions apply.*

# UPCOMING CAO EVENTS

# ORIENTATION OUTREACH

At the start of each university academic year, our team heads out on an exciting tour of **DUT**, **MUT**, **UKZN** and **UNIZULU** to chat to the incoming first-year students!

These orientation days are a major highlight for students as they give one a peek at what university life is really like. By engaging with students, we get to hear exactly what the move from high school to university feels like. This helps us fashion our services to align with the needs of the students.

## Why We Do This (And Why You Should Be There!)

We believe in creating an interactive and exciting highlight for every incoming individual.

### These annual visits allow us to:

- **Hear Your Story:** We gather real-time feedback on the transition from learner to student.
- **Fuel Your Aspiration:** We explore your initial impressions and those big, long-term career aspirations.
- **Level Up Our Service:** Your insights ensure that our tools and support stay perfectly aligned with your needs.

# APPLICATIONS & CAREER EXHIBITION

AT THE DURBAN ICC EXHIBITION CENTRE

Study at our most prestigious universities, Private or TVET colleges of your choice.

Experience dynamic demonstrations of Robotics, Fire Fighting, Police preparedness, Paramedics-in-action, science experiments, etc. Also interact with exhilarating exhibitions by universities, TVET colleges, private colleges, financial institutions, bursary funders and industry professionals. Sit in on talks by University Faculty staff, NSFAS, ISFAP, Disaster Management, etc. Enjoy live music, exotic foods, win prizes, including a bursary to kick-off your studies.

**Note:** Food will be available for purchase on-site.

For Grade 9 - 12 learners, Parents, Educators and individuals looking for career opportunities.

Durban Exhibition Centre, 11 Walnut Road, Durban Central, Durban, 4001

**Pedestrian Entrance:** Gate D, Samora Machel Street (Old Aliwal Street) // **Vehicle Entrance:** Gate A, Walnut Road (Opposite Hilton Hotel)

# 2026 CAO-KZN HIGH SCHOOLS ART COMPETITION

Scan the QR Code  
for updates

Ready to turn your imagination into a masterpiece? Whether you're a digital wiz, a sketching pro, or a DIY dreamer, it's time to level up! Grab your gear, unleash those bold ideas, and show us the world through your eyes.

ALL high schools in KwaZulu-Natal are invited to participate in the 2026 CAO-KZN High Schools Art Competition.

This competition is designed to showcase the artistic talents of learners while encouraging them to engage with significant social and environmental issues.

## Key Details and Eligibility

- **Eligibility:** The competition is open to all learners from Grade 8 to 12 in KwaZulu-Natal.
- **Art Categories:** Students can submit works in several formats, including painting, drawing and sketching, sculptures, art from recycled materials, and line art.
- **Categories:** The competition is divided into a Junior Division (Grades 8–9) and a Senior Division (Grades 10–12).

# COMPETITION THEME: EDUCATION AND CLIMATE CHANGE

The 2026 competition focuses on the intersection of learning and environmental shifts. Participants are encouraged to use art to:

- Express thoughts and feelings regarding climate change.
- Explore how education can help protect the environment.
- Illustrate how environmental challenges, such as floods or heat waves, can impact the ability to learn and attend school.

## Submission Guidelines

- **Entry Limits:** There is no limit to the number of learners per school that may enter. Each participating learner may submit up to five original works
- **Originality:** All entries must be original works created by the students themselves.
- **Process:** To participate, schools must complete and return the application form provided with the invitation letter.

## Prizes

For each of the two categories, significant cash prizes are awarded to the winning learners and their respective schools:

- **1st Prize:** R5,000 for the learner and R10,000 for the school.
- **2nd Prize:** R3,000 for the learner and R7,000 for the school.
- **3rd Prize:** R1,500 for the learner and R5,000 for the school.

# CAREER FAIRS

The **Central Applications Office (CAO)** believes that where you live should not be a barrier to opportunity. Our mission includes ensuring that every learner anywhere in our beautiful country has a clear pathway to higher education. It is for this reason that we take our services directly to the heart of our communities.

Every year on average we attend a about **80** career fairs across our province! Whether it is in the busy streets of eThekweni or reaching out to students in the furthest parts of Umzinyathi and uMkhanyakude, we make sure that we're there for you.

We are already geared up for another massive year, with **17** events already confirmed on our calendar! We want to meet as many of you as possible to help you plan your future.

If you want us to bring our expertise and energy to your school or community event, we'd love to be there! Just ask your organizers to send a formal invitation to:

[customerservice@cao.ac.za](mailto:customerservice@cao.ac.za)

# TALKS AT SCHOOLS

The Central Applications Office (CAO) bridges the gap between high school and higher education across KwaZulu-Natal. Our outreach is primarily invitation-based, driven by principals and LO educators who recognize the value of expert guidance.

## Our Core Focus

While we assist all senior learners, our program prioritizes two critical groups:

- **Grade 9:** We host dedicated talks for learners and parents on Grade 10 subject choices. We provide detailed brochures to help students align their subjects with their future career goals.
- **Grade 12:** We offer comprehensive guidance on the final tertiary application process.

## Key Session Highlights

- **Subject Choices:** Strategic selection for Grade 9s and their parents.
- **Early Application:** Facilitating early offers for limited spots for Grade 12s.
- **Documentation:** Helping to correctly upload IDs and results.
- **Deadlines:** Critical reminders for the 30 September cutoff.

We are now accepting invitations for this year.

Contact us at: [customerservice@cao.ac.za](mailto:customerservice@cao.ac.za) to schedule a visit and empower your students with the tools they need to succeed.

# Touring with

2024

We have once again teamed up with Gagasi FM's "Girl Chat" expedition to schools. Since our partnership began in 2024, we've joined this high-impact tour every August to celebrate Women's Month by empowering female learners.

This initiative focuses on our girls' personal growth and mental wellness. With help from professional life coaches, we dive into building self-confidence, setting healthy boundaries, and staying resilient. Our goal is to give you the tools to handle societal pressures and lead your future with strength and purpose. Get ready to turn your challenges into stepping stones!

# 1.1. About the CAO

The Central Applications Office (CAO) is a registered NON-PROFIT COMPANY (Reg.No.2007/002819/08) that is the only organisation authorised to recruit and process applications for admissions to the Durban University of Technology (DUT), Mangosuthu University of Technology (MUT), University of KwaZulu-Natal (UKZN), University of Zululand (UNIZULU) and most private colleges in KwaZulu-Natal. Our participating institutions offer **over 1 000** programmes, and with just ONE APPLICATION, you can apply for up to six programmes at any of our member or partner institutions. You do not have to complete a separate application for each institution. You do not have to pay a separate administration fee to each institution. You only have to pay **ONE ADMINISTRATION FEE and your application will be processed and made available to any six institutions to which you applied.** When you want to update or change your application to any of the institutions in this Handbook, there is one office to contact.

Discussion and planning for the CAO was initiated in 1993 by the post-school institutions in KwaZulu-Natal. They were: University of Natal (Durban); University of Natal (Pmb); Mangosuthu Technikon; ML Sultan

Technikon; Natal Technikon; University of Durban-Westville; University of South Africa (UNISA); and University of Zululand.

After a number of years of planning, the CAO officially started processing applications in June 1998 for admission in 1999 with a loan of R5m from First National Bank with surety provided by the initiating institutions. The first full-scale operation was launched in 1999 for the 2000 student intake.

The primary goals of the CAO were stated as follows, and are still maintained today:

### Student-oriented goals

- To promote the accessibility of tertiary institutions to prospective students
- To reduce the cost of applications by prospective students

### Institution-oriented goals

- To effect cost savings to the participating institutions
- To effect increased efficiency for institutions in their student selection process

<b>Universities</b> (4)	Durban University of Technology (DUT); Mangosuthu University of Technology (MUT); University of KwaZulu-Natal (UKZN); University of Zululand (UNIZULU)
<b>Private Colleges</b> (11)	AAA School of Advertising; Berea College of Technology; Berea Technical College; Central Technical College; STADIO; iStudent; MANCOSA; PAX College; Eduvos; Regent Business School; Richfield Graduate Institute of Technology

# 1.3. Directions to CAO

## From Victoria Mxenge Hospital (King Edward VIII Hospital):

- Continue up Rick Turner Road towards UKZN, past Debonairs and Steers and the University sports fields.
- As you go down the hill, pass Gates 7, 8, 9 and 10.
- Take the first right turn into Kalanden Road.
- Turn right again into Mary Thiphe Street.
- Turn right at Gate 11.

## If using public transport:

- Go to the Phoenix taxi rank under the bridge at the Warwick Market.
- Ask for Mayville Taxis.
- Once you are in a Mayville taxi, ask the driver to drop you off at the CAO.

**NOTE:** The CAO Contact Centre will be open from 2 March to 30 November 2026.

# 1.4. Important Notice and Terms and Conditions

## 1. Definitions and Interpretation

- 1.1. The following expressions have the meanings set out below:
- 1.1.1. 'Administration Fee' –The fee specified by CAO for application administration or account activity.
  - 1.1.2. 'Applicant' – A person who has submitted a completed application through CAO.
  - 1.1.3. 'Application' – A submission for one or more programmes through CAO, including supporting information requested by institutions for selection decisions.
  - 1.1.4. 'Applicant Data' – All information about an applicant, including personal data.
  - 1.1.5. 'CAO Handbook' – The current year's handbook published on the CAO website, social media platforms and/or otherwise issued by CAO each year.
  - 1.1.6. 'Programme' – An undergraduate qualification offered by public institutions and private colleges in KZN through the application services provided by CAO.
  - 1.1.7. 'Personal Data' – Has the same meaning as in The Protection of Personal Information (POPIA), Act 4 of 2013.
  - 1.1.8. 'Signed Declaration' – A signed statement confirming that the information supplied by the applicant is true and correct.
    - 1.1.8.1. If the applicant is under the age of 18 years, the Signed Declaration must be completed and signed by the parent or legal guardian and submitted to CAO. Any declaration submitted for an applicant under 18 that is not signed by a parent or legal guardian will be considered invalid.
  - 1.1.9. 'Supporting Documents' – Documents required by institutions to make selection decisions:
    - (a) Current Grade 12s: (i) ID, (ii) Final Grade 11 Progress Report (when applying), (iii) PLUS Mid-Term/June Grade 12 and September/Grade 12 Trial results (as soon as they become available) and (iv) Signed Declaration and Informed Consent Form if under 18.
    - (b) Applicants who have already completed Grade 12 and have not studied at another post-school institution: (i) ID.
    - (c) Applicants who have completed Grade 12 and have studied at another post-school institution: (i) ID, (ii) full academic record.
  - (d) Applicants who wish to study at a private college offering FET programmes: (i) ID, (ii) copy of highest qualification achieved, and (iii) Signed Declaration and Informed Consent Form if under 18.
  - (e) If subjects were upgraded: (i) Certified copy of your combined statement/certificate of results.
  - (f) PLEASE NOTE: Some institutions may request additional documents.
  - (g) If you have already written the Final Grade 12 NSC examinations, your results will be downloaded directly from the Department of Basic Education (DBE) database (subject to the data being provided by DBE). This applies for public schools, Independent Examinations Board (IEB) and South African Comprehensive Assessment Institute (SACAI) examinations, i.e., certified by UMALUSI.
  - (h) If you don't have a copy of your ID, you must provide your ID number and submit a certified copy of your ID as soon as you receive it.
- 1.1.10. 'Intellectual Property Rights' – Means all patents, copyright and related rights, trademarks, trade, business and domain names, goodwill or actionable claims for passing off, designs, database rights, confidential information (including know-how and trade secrets) and any other intellectual property rights, in each case whether registered or unregistered and including all applications for renewals or extensions of such rights, and all similar or equivalent rights or forms of protection in any part of the world.

## 2. Applying and Paying the Administration Fee

- 2.1. All applications for admission to institutions must be submitted online at [www.cao.ac.za](http://www.cao.ac.za).
  - 2.2. The application administration fee may be paid online at the same time or afterwards. Your application will be made available to institutions the day following the bank clearance of the administration fee.
  - 2.3. When you apply online and pay via EasyPay, your application will be made available to institutions the next business day after your funds have been cleared by the bank.
  - 2.4. Complete and submit your online application as soon as possible on our website ([www.cao.ac.za](http://www.cao.ac.za)).
3. The CAO processes applications for member institutions from 01 March for the following year's January (First Semester) intake. The CAO processes applications for member

## 1.4. IMPORTANT NOTICE AND TERMS AND CONDITIONS

institutions that have a Second Semester intake from 01 August for the following year's July (Second Semester) intake.

4. For TVET College applications, contact the TVET college directly.

### 5. Supporting Documents

- 5.1. All supporting documents must be uploaded on our website ([www.cao.ac.za](http://www.cao.ac.za)). We do not accept hard copies or emailed documents.
- 5.2. You must ensure documents are clear and legible. Illegible documents could delay or jeopardise the selection process at institutions.
- 5.3. The earlier in the year you apply and submit the required documents, the earlier you are considered for a place.
- 5.4. Your biographical details (ID number and Full Name and Surname) on your application must be an exact match with the details that you register with the DBE to write the DBE-NSC Final Grade 12 Examination. If they differ, we will not be able to download your final examination results from the DBE database and match them to your application information at the institution to which you have applied.

### 6. Validity of Applications

- 6.1. An application is considered valid only when:
  - 6.1.1. A completed application including programme choices, Signed Declaration and Informed Consent (if under 18), and the full administration fee have been received by CAO. Only then will your application be processed and available to institutions.
- 6.2. The official Received Date for the application will be the date on which the application becomes valid as explained in 6.1.
- 6.3. Administration and Change of Mind (COM) fees are not refundable.

### 7. Applicant Contact Details

- 7.1. Applicants are responsible for providing the correct email address and cell phone number as all messages are sent via SMS/email while letters are sent via email.
- 7.2. Without a valid current cell phone number, you will not receive messages from the CAO or institutions to which you have applied. Without a valid email address, you may miss requests or offers made by the institution/s.
- 7.3. The cell phone and email details we use are those on your original application or that have since been updated online after you have applied.

### 8. Acknowledgement Letters

- 8.1. Within two weeks after CAO receives your valid application (explained in number 6 above), we will send you an Acknowledgement Letter by email in which the CAO

acknowledges that we have received and processed your application.

- 8.1.1. The Acknowledgement Letter will have all the details you provided on your application. Applicants are fully responsible for checking their acknowledgement letters and updating any errors, omissions or changes online on our website [www.cao.ac.za](http://www.cao.ac.za) by clicking on the 'Update My Details' icon so that we have the correct information for communications.

- 8.2. If you do not correct any errors or omissions or update any changes within one week after we have sent you the Acknowledgement Letter, all information in the letter shall be deemed correct and complete.
- 8.3. If you have not received an Acknowledgement Letter by the end of two weeks after you have applied and paid the full administration fee, you must contact the CAO. (See page 3 for contact details)

### 9. Offers and Selection

- 9.1. CAO provides your information to institutions electronically. Institutions have full and final responsibility for selection and admission decisions, not the CAO.
- 9.2. All selection and admission decision queries must be directed to the respective institution, not to the CAO. The CAO does not make selection and admission decisions
- 9.3. Institutions will contact you directly with their selection decision. Sometimes institutions request that the CAO also convey a selection decision to an applicant, but the communication received directly from the institution must be regarded as the institution's official notification
- 9.4. Institutions start making offers early in the year preceding the year of entry. It is in your best interest to submit your valid application as early as possible. The following year's January applications open on 01 March of the year preceding the entry year.
- 9.5. Subject to item 9.2., and if requested by an institution we will send you an SMS or an emailed letter to inform you of any offers that you have received from an institution to which you have applied. You must ensure that we always have your current email address to which we can send offer letters as institutions often have a cut-off date or period for your response. If the acceptance of the offer is not received by the institution within the stipulated cut-off period, the institution reserves the right to withdraw the offer.
- 9.6. Offers may be withdrawn if:
  - 9.6.1 You don't – within the period stipulated by the institution – tell the institution you want to accept the offer.

## 1.4. IMPORTANT NOTICE AND TERMS AND CONDITIONS

- 9.6.2. The conditions of the offer are not met.
- 9.6.3. The institution discovers that you have provided false information in your application, e.g., you have not declared that you have previously been registered or studied at that or another post-school institution.
- 9.7. You will receive either an email or SMS to inform you if you have been unsuccessful for any of the programme choices for which you applied.
10. Applicants should apply and pay on or before the programmes' published closing dates. Applicants may still apply after the programme closing date, but applications received after these dates will be flagged as being late. Each institution has its own rules and procedures on how they deal with applications received after the programme closing date, e.g., your application may only be considered after all 'on-time' applications have been considered and only if places are still available. Even though your application is received after the programme closing date and is considered as being 'late', you still only pay the 'on-time' advertised administration fee until 31 October for programmes applied for 1st semester and 31 May for programmes applied for in the 2nd semester of the year of entry.
11. Programme choices with the note: 'No Applications will be considered if received after the programme closing date' will not be considered if the application or administration fee is received after the advertised programme closing date.
- 12. Late Administration Fee**
- 12.1. There is ONE date on which the LATE ADMINISTRATION FEE takes effect, i.e., 01 November for first semester programmes and 01 June for second semester programmes irrespective of individual programme closing dates for certain programmes as indicated by the institution
- 13. Change of Minds (COM)**
- 13.1. If, after you have applied, you want to change your programme choices, or rearrange the order of your choices, you must go to [www.cao.ac.za](http://www.cao.ac.za), click on the 'Change of Mind' icon and follow the instructions.
- 13.2. A 'Change of Mind' is automatically processed immediately once it has been completed online and the COM administration fee has been received. See fee structure on page 24.
- 13.3. Any number of programme changes/additions (up to six programmes) in the same Change of Mind Request is considered as one for payment purposes.
- 13.4. The programmes selected on your Change of Mind request will replace the programme choices currently on your application. To indicate that you wish to retain any of your existing programme choices, you must add those programmes back

onto your list when submitting your COM. CAO cannot reverse any mistakes after submission.

- 13.5. If you submit qualification/programme changes/additions in more than one Change of Mind request and/or at different times, each Change of Mind Request submission will be regarded as a separate request and an administration fee must be paid for each submission, not for each qualification/programme change.
- 13.6. Payment/s for multiple COM Request submissions will be allocated and processed strictly in the sequence that the COM Request was received by CAO, i.e., the earliest COM request first.
- 13.7. If you have applied to study in Jan/Feb 2026 but did not register, you have an opportunity to carry forward your application to the next available entry term (June 2026) or year (Jan/Feb 2027). This request, together with the COM administration fee, must reach CAO by 31 March 2026. If you miss this deadline, you must make a new application and pay the full administration fee.

### 14. Handbook & Programme Information

- 14.1. Every attempt has been made to ensure that the information in the annually published Handbook is accurate and up to date at the time of going to print. However, institutions continually update their programmes and entry requirements.
- 14.2. During the course of the year, institutions may make new programmes available that were not finalised in time to be included in this Handbook – check our website [www.cao.ac.za](http://www.cao.ac.za), Facebook page or contact our Call Centre on 031 268 4444 for updates.
- 14.3. An entry in this Handbook/website does not oblige the institution to offer the programme as institutions continually assess their programmes and may decide to discontinue programmes and/or change the minimum entry requirements during an application cycle. If an institution discontinues a programme that is published in this Handbook/website, the applicant may replace such programme at no cost.
- 14.4. Entry requirements are guidelines used by institutions and each institution sets its own minimum entry requirements for each programme.
- 14.5. Entry requirements published in the Handbook/website are MINIMUM requirements for your application to be considered, and in most cases, the number of applications for a qualification/programme far exceeds the number of places that an institution has available for the qualification/programme. Therefore, while you may meet the published minimum entry requirements, this does not guarantee acceptance.

## 1.4. IMPORTANT NOTICE AND TERMS AND CONDITIONS

### 15. Payment of Administration Fees

- 15.1. All payments to the CAO are done through EasyPay or online at [www.cao.ac.za](http://www.cao.ac.za). Click on 'Payments' and follow the instructions. Card payments can also be made at the CAO's office during the specified periods. The CAO office does not accept cash. See fee structure on page 24.
- 15.2. Payments must be made to the correct CAO number. Once you have paid for an application, we cannot transfer the funds from one application to the next.
- 15.3. An applicant's CAO number, EASYPAY number and password are issued on screen to the applicant during the application process. This information is also sent by email to the email address provided by the applicant. These are the only valid numbers recognised by the CAO and are unique to the applicant.
- 15.4. For payments:
  - 15.4.1. Made online on the CAO website: use your unique CAO number, OR
  - 15.4.2. At an EasyPay vendor such as Shoprite, Pick 'n Pay, Boxer, etc.: use your unique CAO-EasyPay number, OR
  - 15.4.3. At CAO reception: use your unique CAO number.

### 16. Protection of Personal Information

- 16.1. CAO is committed to ensure that we are compliant with the relevant data protection laws in our country as per the Protection of Personal Information Act (POPIA) of 2013. We will only share the details of your application with you, the applicant, and with educational institutions as stated in the Applicant Declaration and Informed Consent you agreed to when you applied.
- 16.2. The only time your personal information will be shared with someone other than yourself or with the educational institutions partnering with the CAO is if:
  - 16.2.1. You authorise us through the completion and submission of the POWER OF ATTORNEY during your application process or by completing and submitting the form available on our website.
  - 16.2.2. You are under 18 years of age when you applied and are still under 18: In that case your application details will be shared with the parent or guardian who signed the CAO Declaration and Informed Consent Form when the application was made. Such signatory may grant permission to any third party over the age of 18 by completing and submitting the POWER OF ATTORNEY Form available on our website.

### 17. Liability and Disclaimers

- 17.1. CAO only communicates with the public through its official website and dedicated

social media platforms. Any other social media accounts claiming to represent CAO are not authorised to do so. Any information provided on these unauthorised social media platforms could lead to malicious and fraudulent activity including solicitation of funds from the Public. Visit [www.cao.ac.za](http://www.cao.ac.za), go to the bottom of the Home Page where you will find the Social Media Platform/s used by CAO including links to the platform/s and any updates.

- 17.2. CAO, its administration departments, staff or any affiliated persons who provide information to the institutions, public and/or prospective students, provides such information, whether written or oral, in good faith. In the event that the public and/or prospective students act upon such information to their detriment, CAO shall not be liable for any loss, harm or damage (direct, consequential or special), or expense of any nature whatsoever, which may be suffered as a result of reliance on such information, the interpretation thereof or any references made thereto. CAO, to the best of its ability, attempts to ensure that the information provided is both true and correct, free from error, omission or misrepresentation, however, it does not warrant the aforesaid expressly or impliedly.
- 17.3. The CAO reserves the right to vary, update or replace these Terms of Service as it continuously enhances and evolves its services.
- 17.4. Technical maintenance, power outages, or internet disruptions may occur from time-to-time. CAO shall not be held liable for any delay, loss, or inconvenience arising from such interruptions.
- 17.5. CAO takes every reasonable step to prevent unauthorised access, alteration, or loss and cannot be held responsible for incidents arising from circumstances beyond its reasonable control.
- 17.6. CAO shall not be liable for any failure or delay in performing its obligations under these Terms where such failure arises from events beyond its reasonable control, including but not limited to natural disasters, strikes, pandemics, power failures, or government actions.
- 17.7. These Terms and Conditions shall be governed by and interpreted in accordance with the laws of the Republic of South Africa. Any disputes shall be subject to the exclusive jurisdiction of the courts of KwaZulu-Natal.
- 17.8. All content on CAO's website, handbooks, and communication materials is the property of CAO. You may use it for personal, educational, or non-commercial purposes only. Copying, modifying, distributing, or selling the content for commercial purposes is prohibited.

# LAUNCH YOUR CAREER IN IT OR BUSINESS.

## ABOUT RICHFIELD

Richfield is a private higher education institution in South Africa, offering learning experiences that make students richer in knowledge, opportunities, confidence, and purpose.

For over 35 years, we've specialised in industry-aligned, CHE-accredited qualifications in high-demand fields. Through Work Integrated Learning modules and strategic partnerships with global leaders like IBM, AWS Academy, Oracle, Salesforce, Cisco, and CIMA, our students gain access to hands-on experience and globally recognised certifications that set them apart in a competitive job market.

With 8 premium campuses across South Africa (Bryanston, Newtown Junction, Centurion, Pretoria, Umhlanga, Musgrave, Cape Town, and Polokwane) and an online learning platform, we make world-class education accessible to students wherever they are, whatever their life stage.

Whether you're a school leaver, working professional, or returning to study later in life, we support your growth at every step. From degrees and diplomas to a 100% online MBA, we deliver a launchpad for future leaders, innovators, and change-makers.

## 2.1. Your Study Options

Many post-school institutions have adopted a hybrid or blended tuition model in place of the purely face-to-face on-campus model. This appears to be the trend for the future. The model in the table may undergo changes at some institutions.

INSTITUTION		FULL-TIME STUDY	PART-TIME STUDY	DISTANCE LEARNING
		Students are on campus for most of the year. Lectures and tests take place during the day.	Students are on campus only during evenings or one day a week for lectures and tests.	Students work at their own pace using study material at home. They write assignments, which they submit to institutions by email or uploading online. Often tutors are available at webinars and offer assistance by phone or online, as well as at occasional on-campus lectures/tutorials.

### Finding Available Programmes

A list of all programmes on offer is available on our website at [www.cao.ac.za](http://www.cao.ac.za), and in this Handbook starting on page 38.

Application material is available from all high, secondary and combined schools as well as from our member institutions listed in this Handbook.

\*Application material can also be collected at the CAO offices situated at Gate 11, UKZN, Mary Thiphe Street, Cato Manor and from all Education District Offices or by contacting the CAO call centre on 031 268 4444.

**Applications can ONLY be submitted online at [www.cao.ac.za](http://www.cao.ac.za). See page 6 clause 2 and pages 18-19 for more information**

### Kinds of Programmes related to Careers

All programmes available for July 2026 and January 2027 entry are available on our website [www.cao.ac.za](http://www.cao.ac.za). The list of all programmes available for 2026 (Second Semester starting in July 2026) and for 2027 (First Semester starting in January 2027 and Second Semester starting in July 2027) are also listed in this Handbook from page 38 to 201. The programmes listed are for access to mainstream study as well as to access programmes for alternative admission.

### Alternative Access (also called Access Routes)

An access route is an alternative study route that may lead to your original mainstream programme of study. Access Route Programmes (see page 204) are spread over a longer period than normal and are provided to help applicants who may not meet the entry requirements for specific degrees and diplomas. Some programmes don't have access routes but offer three and four year options based on the applicant's results in the

NSC and in selection tests. These programmes are indicated by '3/4 yrs' in the Programme Choice List under 'course duration'.

### Second Chance Application (Change of Mind Application)

If after applying you are unsuccessful with any of your programme choices, you may complete and submit a 'Change of Mind' (COM). This must be done online. These COMs are immediately available to the institution/s to which you have applied when received with the COM administration fee. COMs completed online and paid via EasyPay are processed the day after receipt of the COM administration fee.

In the post-school sector, the study intake is divided into study blocks that are indicated in the programme list under 'Entry Term'. Universities and universities of technology generally have study intakes in the First Semester (Jan/Feb) and some universities may have a Second Semester (July) intake for some programmes. TVET colleges also have trimester intakes for Nated ('N') programmes and skills programmes.

### Carry Forward your Application to the Following Year

If you have applied to study in 2026 but have not been successful or, for some reason have not registered, you may carry forward your 2026 first semester application for admission into 2026 second semester and/or 2027 first semester, provided you complete a COM Request online. To be valid, this carry forward, which is completed as a COM, must reach us by 31 March 2026 together with the relevant COM administration fee. If you miss this date, you will have to submit a new application and pay the full administration fee.

**\* NOTE: The CAO Contact Centre will be open from 2 March to 30 November 2026**

**PLEASE NOTE: YOU HAVE NOT YET COMPLETED YOUR APPLICATION**

- (i) Click on '**Continue with Online Application**'.
- (j) Follow the instructions, complete ALL the information requested and click '**Next**' on each page as you navigate through the application.
- (k) At the end of the application, view the summary of YOUR application presented on screen. Should any information be incorrect, click on '**Edit**' and update the information immediately.
- (l) To submit your application, click on '**Process My Application**' at the bottom of the page.

**YOUR APPLICATION HAS NOW BEEN SUBMITTED**

- (m) You will know that you have successfully submitted your application when you receive the prompt "**Your Application has been successfully submitted to CAO.**"

**3. AT THE SAME TIME, WHILE COMPLETING YOUR APPLICATION YOU CAN:**

- (a) Pay your admin fee online at the same time you apply or after or by choosing to pay at an EasyPay Outlet (See Page 24 on '**Ways to Pay the Administration Fee**').

- (b) Submit/Upload your supporting documents eg. ID, School Results etc at the same time you apply or afterwards by clicking on the '**Upload My Documents**' icon on the Homepage (See Page 22 on '**How to Submit your Supporting Documents**').

**4. AFTER YOU HAVE APPLIED**

If you did not pay the administration fee or upload your documents at the time you applied, you must do so as soon as possible.

- (a) Pay the administration fee online by clicking on '**Payments**' on the top menu bar OR

Pay via an EasyPay outlet (See Page 24 on '**Ways to Pay the Administration Fee**').

- (b) Upload your proof of payment AND upload supporting documents by clicking on the '**Upload My Documents**' icon on the Homepage (See Page 22 on '**How to Submit your Supporting Documents**').

***Applications for 2027 entry open on 1 March 2026!  
Don't delay - apply as soon as possible after  
1 March 2026. The earlier you apply, the sooner  
your application will be considered.***

**\* NOTE:** The CAO Contact Centre will be open from 2 March to 30 November 2026

CREATIVE. DISTINCTIVE. IMPACTFUL.

# JOIN A VIBRANT COMMUNITY OF FORWARD-THINKERS AND GAIN THE SKILLS YOU NEED TO THRIVE IN TOMORROW'S RAPIDLY EVOLVING WORLD!

**Choosing where to study after matric is one of the most important decisions you will make and at DUT, we are here to help you turn your passion into a career.**

DUT is a leading University of Technology based in KwaZulu-Natal, offering practical, career-focused qualifications that prepare you for the real world. Our programmes are designed with industry in mind, meaning you graduate with skills that employers are looking for, not just theory.

With **six specialised faculties, experienced lecturers and strong links to business, government and industry**, DUT gives you a competitive edge. At DUT, learning goes beyond the classroom. Many of our programmes include work-integrated learning, hands-on projects, laboratories, studios and real-life problem-solving, so you are job-ready when you become one of our adaptive graduates.

We are also building an entrepreneurial university, encouraging students to think creatively, start businesses, innovate and create their own opportunities. Our adaptive graduates are known for being creative, innovative, confident and work-ready, able to succeed in a fast-changing world.

Located in vibrant Durban and Pietermaritzburg, DUT offers a supportive student environment, access to residences, student services, sport, culture, entrepreneurship and leadership opportunities, helping you grow both academically and personally.

*If you are looking for a university that believes in your potential, supports your dreams and prepares you for a successful future, then DUT is the place for you.*

## ENVISION2030

transparency • honesty • integrity • respect • accountability  
fairness • professionalism • commitment • compassion • excellence

TO FIND OUT MORE**

## 3.2. How to Submit your Supporting Documents

**IMPORTANT NOTICE:** All supporting documents **MUST BE UPLOADED** on the CAO website ([www.cao.ac.za](http://www.cao.ac.za)).

### 1. In order to login to upload your documents, you must have the following:

- 1.1 Your CAO number or ID/Passport number AND
  - 1.2 Cell phone (with cell number entered on your application)
  - 1.3 Access to your email (which was entered on your application)
- AND YOU MUST HAVE YOUR DOCUMENTS SAVED IN A FILE ON YOUR COMPUTER OR ON A MEMORY STICK/FLASH DRIVE**
- 1.4 Each document must be saved individually to upload to the respective document type that you are submitting

### 2. Minimum documents required on application

- 2.1 Copy of ID/Passport AND
- 2.2 Final Grade 11 Report (if you are in Grade 12) OR
- 2.3 Highest qualification achieved
- 2.4 Copy of study/residence permit (if you are a non South African applicant)
- 2.5 Proof of payment
- 2.6 Signed declaration and informed consent (U18)

### 3. Further documents

- 3.1 June Grade 12 Report (as soon as you receive it if you are currently in Grade 12)
- 3.2 September/Trials Grade 12 Report (as soon as you receive it if you are currently in Grade 12)
- 3.3 Any other document requested by the institution, eg. Academic Record, etc.

3.4 Power of Attorney document if you are over 18 and would like to give permission to any other person to access your application information.

### 4. Uploading documents on the CAO website

- 4.1 Go to the website [www.cao.ac.za](http://www.cao.ac.za)
- 4.2 Click on the 'Upload My Documents' icon on the Home Page.
- 4.3 Read the instructions to know what you need 'in order to log in to upload your documents'.
- 4.4 Once logged in, follow the steps provided to upload your documents and enter your related examination results, where required.
- 4.5 Review and make sure that you have uploaded the correct documents and entered the correct results, where required.
  - 4.5.1 If you are in Grade 12, it is compulsory to enter your Life Orientation result
- 4.6 Once you are ready to submit, click on

Submit  
My Documents

**PS.:** Ensure that the correct document type is selected when your documents are uploaded. If you upload any documents using the incorrect document type, the document will reflect on our system as 'not received/outstanding' and may result in your application being rejected.

**Serious about You.**

### 3.3. Ways to Pay the Administration Fee

Your single administration fee allows you to apply for a combination of up to six programmes at any of our member and partner institutions in KZN. (See page 35 for a list of our member and partner institutions).

Administration fees are non-refundable. Institutions to which you apply are only able to view and consider your application on receipt of a completed application and the relevant administration fee. Administration fees for discontinued programme choices are not refundable, but you are allowed to change that choice at no cost to you. Costs incurred if your cheque or credit card is not honoured by the bank will be passed on to the applicant.

Make sure your administration fee is paid in full on or before the published closing dates of the programme/s you have applied for. If payment is received after the date on which we receive your application, the payment date will be treated as the received date of your application. Institutions have different closing dates for their programmes. If programmes have closed by the time we receive your payment, your application for these programmes will be regarded as late and may be

considered after all on-time applications have been considered and space is still available. **PLEASE NOTE:** If you apply for programme choices that do not accept late applications e.g. Health Science programmes at UKZN and pay after the programme closing date, the status of these programmes will be 'Applications Closed', which means that they will not be considered. Please view Programmes lists in handbook or Available Programmes online for programmes that do not accept late applications after the closing date.

If payment is received after 31 May (for July intake of that year) or after 31 October (for following year's January intake), you will be liable to pay the late administration fee, as indicated in the table below.

To contact us about payment queries, email [paymentscao@cao.ac.za](mailto:paymentscao@cao.ac.za). International applicants should ensure that the amount paid covers bank charges. Applicants with refugee or asylum seeker status recognised by the Department of Home Affairs pay the fee for South African citizens. Non-SA citizens must pay the international fee.

ADMINISTRATION FEE	To Start Studies in January 2027			To Start Studies in July 2026			To Start Studies in July 2027		
	Date	SA Citizens	International Applicants	Date	SA Citizens	International Applicants	Date	SA Citizens	International Applicants
If Administration Fee reaches us on or before	31 Oct 2026	R250.00	R300.00	31 May 2026	R250.00	R 300.00	31 May 2027	R250.00	R300.00
If Administration Fee reaches us on or after	01 Nov 2026	R470.00	R580.00	01 Jun 2026	R470.00	R 580.00	01 Jun 2027	R470.00	R580.00

**Any request to add, change or renumber Programme Choices will incur a 'Change of Mind' administration fee of R140.00**

**WAYS TO PAY THE ADMINISTRATION FEE:****Application Administration Fee and Change of Mind (COM) Administration Fee**

There are two ways to pay both administration fees:

Online (Recommended)

OR

at an EasyPay Outlet

1. You may pay the administration fee ONLINE at [www.cao.ac.za](http://www.cao.ac.za) by VISA/Mastercard or EasyPay:
  - 1.1 You may pay the application or COM administration fee online at the same time you apply or submit a change of mind. After you click 'Process my Application' or 'Process my Change of Mind' a message will appear explaining how to pay your administration fee.
  - 1.2 If you applied online or submitted a COM and wish to pay at a later date:
    - (a) Go to [www.cao.ac.za](http://www.cao.ac.za)
    - (b) Click on 'Payments' on the top menu bar
    - (c) Enter your CAO or ID/Passport Number and click 'Submit'
    - (d) Click on 'Make payment'
    - (e) Select 'VISA/Mastercard' to pay by card or 'EasyPay' to pay by debit or credit card etc.

2. You can also pay the administration fee at any EasyPay outlet, e.g. Shoprite, Checkers, Pick 'n Pay, Boxer Superstores, Woolworths, etc. (Please use your unique EasyPay number as the reference when making payment. Request for a receipt as you need to upload your proof of payment to your application/profile).
3. Both the Application Administration Fee and the COM Administration Fee can be paid at \*our offices at Gate 11, Mary Thiphe Street, Cato Manor, Durban. You can pay by credit or debit card.  
**We DO NOT accept cash at the CAO office.**
4. Proof of Payment MUST be uploaded via 'Upload My Documents' at [www.cao.ac.za](http://www.cao.ac.za)

**FINANCIAL AID**

If you require financial aid from NSFAS, you must tick the Financial Aid field when you complete your CAO application.

In addition, you must apply directly to NSFAS at:

Private Bag X1 Plumstead, 7801

**OR** 2<sup>nd</sup> Floor, House Vincent, 10 Brodoe Road, Wynberg, Cape Town, 7700

**OR** Telephone 021 763 3200/0860 006 7327

**OR** visit their website at [www.nsfas.org.za](http://www.nsfas.org.za)

**\* NOTE:** The CAO Contact Centre will be open from 2 March to 30 November 2026

## 3.4. Completing a 'Change of Mind' Request

### 1. A Change of Mind (COM) is done when you want to change your study choices. This normally happens when:

- 1.1 You no longer want to do a particular programme or programmes
- 1.2 One or more of your choices has been unsuccessful
- 1.3 An institution discontinues one of your programme choices (This change is free). You may submit a Change of Mind for the discontinued programme **ONLY**. Should there be any other changes on your programme choices including re-ranking programmes than the Change of Mind fee is applicable
- 1.4 You want to change the ranking of your choices
- 1.5 You want to carry forward your application to the following entry year/term

### 2. Procedure:

- 2.1 Go to our website: [www.cao.ac.za](http://www.cao.ac.za)
- 2.2 Click on the icon 'Change of Mind' on the Home Page
- 2.3 Read the instructions onscreen and login to submit a 'Change of Mind'
- 2.4 Once logged in, follow the steps provided to enter your new set of choices. Enter your programme choices as you now wish them to appear including the programme choices you wish to keep from your existing programme choices. **IMPORTANT: If you do not indicate which programme choices must remain on your application; those programme choices will be WITHDRAWN once your COM is submitted**
- 2.5 Review and make sure that you have entered the correct choices and in the correct rank order
- 2.6 Once you are satisfied that all your programmes are correctly reflected (i.e. your existing programme choices have been retained AND your new programme choices have been added in the correct ranking order click on 'Process My Change of Mind' to submit.

**Ensure that you have included the programme choices that you want to retain**

### REMEMBER

- Offers of places may be withdrawn if the institutions' conditions are not met or if institutions discover that you have provided false information or withheld information in your application for admission.
- If you are currently registered at DUT or UKZN and intend applying to the same institution, please first contact the institution (for information and your student number) as your student number is valid for life. You may be required to follow the institution's internal procedure for readmission.
- If you are currently or have in the past attended another post-school institution, e.g. University, TVET college, private college, etc. you must indicate this in the Study History section on your application.
- If you are a Non-South African applicant with:
  - NSC or National Certificate (NC) results, or NCV results obtained in South Africa, you must apply through CAO
  - NCV results obtained outside South Africa, or foreign school-leaving qualifications (e.g. Cambridge, IGCSE, AS/A Levels, GCSE), and intend applying to UKZN, please contact them directly or apply at [www.ukzn.ac.za](http://www.ukzn.ac.za)

### PLEASE NOTE

Your CAO number is your unique personal reference number and is important. Make sure to keep a record of it. You will need it whenever you communicate with us. The same applies to the EasyPay number. All payments to us must be made using this number.

Your CAO number and EasyPay number are provided to you onscreen and via email when you apply online.

Your CAO number is also required when you upload documents or when you want to complete a COM.

All documents must be uploaded onto our website. When applicants in Grade 12 apply, institutions require a copy of your ID and FINAL Grade 11 results. Therefore, in the first instance, try to upload these documents as soon as possible after you have applied. They also require your Grade 12 June results before they can consider your application for an early provisional/conditional offer so upload it as soon as you receive it. Do the same with your Trial Results.

## 3.5 How to Update Your Personal Details Online

*\* This function is FREE*

### 1. In order to update your details, you will require the following information:

- CAO/ID/Passport Number AND
- Cellphone (with cell number entered on your application) OR
- Access to your email (which was entered on your application)

### 2. Please use the following steps to update your details:

- 2.1 Go to our website **www.cao.ac.za**
- 2.2 Click on the icon **'Update My Details'** on the Homepage
- 2.3 Select **'Click here to continue and update your application'**
- 2.4 Follow the onscreen prompts to Log in to your profile to update your details
- 2.5 Once logged in, you will be presented with menu options on the left navigation bar.

2.6 From the menu select the information field/s that you would like to update, such as

- Address Details
- Contact Details
- NOK Information
- Financial Information
- Biographical Information
- Parent/guardian Information
- Residence Details
- Summary Details

2.7 Once you have updated all your details and you are satisfied with your update, click on **'Process My Updates'**

2.8 A message will be displayed onscreen to indicate that your updates have been processed

**NOTE:** Once you submit your updated information it is immediately available to institutions.

If you wish to change your programme choices you will need to do a Change of Mind. Refer to page 26.

*\* This function is ONLY available to applicants who have (i) completed their application and (ii) paid their full administration fee.*

# 4.1. Understanding the Programme Choice List

## 4.1.1. On the CAO Website

1. Go to [www.cao.ac.za](http://www.cao.ac.za)
2. Click on 'Available Programmes'
3. The 'Programmes' page will be displayed with the following three tabs on the left navigation bar:
  - a - How to use the Programme List
  - b - Programme List (Use the filters to search for programmes by institution, exam type, working personality or career direction OR Enter the specific programme name or code if you know it)
  - c - Alternative Access Routes

## 4.1.2. How to use the Programme List in this Handbook

The Programme Choice List is divided according to career directions.

Career directions are divided into two sections. The first with the **BLUE** heading contains programmes at universities and universities of technology and the second with the **ORANGE** heading contains programmes at private colleges.

## How to find a programme

Look up the field of study, for example, Sports Science, in the 'Index' (pages 241 to 244) and then go directly to the page/s specified. Programmes are grouped according to the level of study within each career direction.

## The different levels of study are:

- Shorter course study
- NC(V) study
- Nated Certificate and Diploma study (Report 191 Programmes)
- Certificate study
- Diploma study
- Degree study

If you are looking for postgraduate study, consult the institution for courses that are not included in this Handbook. You will also find some shorter courses and programmes for people who are already working as educators or nurses. Within each category, the programmes are listed in alphabetical order by programme name.

National Senior Certificate (NSC – from 2008)	
NSC Rating/Level	APS Rating
7 (90 - 100%)	8
7 (80 - 89%)	7
6 (70 - 79%)	6
5 (60 - 69%)	5
4 (50 - 59%)	4
3 (40 - 49%)	3
2 (30 - 39%)	2
1 (0 - 29%)	1

Senior Certificate (SC – Before 2008)							
		LANGUAGES				OTHER SUBJECTS	
NSC Rating/Level	APS Rating	HG 1 <sup>st</sup> Lang	HG 2 <sup>nd</sup> Lang	SG 1 <sup>st</sup> Lang	SG 2 <sup>nd</sup> Lang	Higher Grade	Standard Grade
7 (90 - 100%)	8	A (90 - 100%)				A (90 - 100%)	
7 (80 - 89%)	7	A (80 - 89%)				A (80 - 89%)	
6 (70 - 79%)	6	B (70 - 79%)	A (80 - 100%)	A (80 - 100%)		B (70 - 79%)	A (80 - 100%)

1 (0 - 29%)	1	(0 - 29%)	1	1 (0 - 59%)

## 4.1. UNDERSTANDING THE PROGRAMME CHOICE LIST

### Programme code

The alpha-numeric code contains six characters. It is linked to a specific programme at a specific institutional campus. The first two letters indicate the institution's name, and the third letter indicates the campus (refer to page 35 for these codes). The last three letters and/or numbers indicate the programme.

### Closing date

Programme closing dates are listed. Take note that many programmes have early closing dates to accommodate interviews and assessment tests. Applications received after the closing date are processed as 'late'. Late applications are dealt with differently at each institution (refer to the institutions' prospectus for more information). N.B.: Some programmes, e.g. Health Science programmes at UKZN do not consider applications received after the closing date. This information is usually displayed in the Notes column.

### Minimum points

This is the lowest number of points you can attain to apply for a programme. The points requirements may differ depending on the school leaving examination you wrote. You can calculate your total points from your latest examination results by adding up the points for each subject (excluding LO) as shown on page 30.

### Programme name

The full name of the programme, for example, B Com Accounting (extended curriculum).

ACCOUNTING, FINANCIAL MANAGEMENT									
Programme name	Programme code	Closing date	Min. points	Minimum entry requirements	Entry Term	Course Duration	Access Route	Notes	
UNIVERSITIES AND UNIVERSITIES OF TECHNOLOGY									
DEGREE STUDY									
B Com Accounting (extended curriculum)	KN-P-BCO	30 Sep	32	NSC Deg with Maths 5 and Engl and LO 4	1	3 yrs		Applicants with 35 points or more and English and Life Orientation and Mathematics Level 5 will be considered for early selection.	
B Com Accounting	KN-W-BCN	30 Sep	36	Matric Exemption with Maths 'D' HG/'B' SG	1	3 yrs			

### Course Duration

The minimum number of months or years you would have to study. Please note that part-time study takes longer than full-time study.

### Entry term

The time of year the programme starts. There are two entry terms:  
 1 – Entry in the first semester, which starts between January and February  
 3 – Entry in the second semester, which starts between July and August

### Access route

A letter in this column shows that there is an alternative access route for this programme (access routes details are on pages 204-207)

### Notes

Additional information

### Minimum entry requirements

The subject combinations and minimum levels or symbols for the different examination types that you need to achieve to be considered for a particular programme. For a complete explanation of minimum entry requirements, continue reading on page 32.

## 4.1. UNDERSTANDING THE PROGRAMME CHOICE LIST

### Points Calculation Tables

Page 30 shows the system default points calculation in which points are calculated for the top six subjects, excluding Life Orientation. Institutions may use different variants of this, e.g. some may double the Maths and Science points for Engineering. Institutions may have further requirements for selection, therefore, meeting the minimum points does not necessarily guarantee that you will be offered a place. Please check the notes column in the Programme List in this Handbook or institutions' prospectus/website for details.

For a full list of the abbreviations used, refer to the acronyms and abbreviations on pages 238-240. Mature age applicants and those seeking admission on the basis of Recognition of Prior Learning (RPL) or foreign qualifications should consult the institution.

### Colour Codes in Programme Name

**Pink:** Part-time study

**Brown:** A new programme awaiting approval from DHET/Senate at the time of this Handbook being published. Contact the institution to confirm if the programme will be offered.

### NSC/IEB/SACAI

Minimum entry requirements for applicants writing NSC are shaded pink.

Matric (Grade 12) achievement to qualify for:

#### 1. Degree Study

- 1.1 Must obtain at least 40% for Home Language
- 1.2 Must obtain at least 50% for FOUR other subjects, excluding Life Orientation
- 1.3 Must obtain at least 30% for ONE other subject

- 1.4 Must obtain at least 30% in Language of Learning and Teaching (LOLT) of the Higher Education Institution where you intend studying
- 1.5 Must pass at least six out of seven subjects

Where you see NSC Deg in the Programme Choice List, this means that you must meet these requirements. If the institution has additional requirements, these will be indicated:

**Example:** NSC Deg with Maths and Phys Sci 6 and Engl and LO 4 and two subjects 4

This means that in addition to an NSC pass meeting the minimum standard required for entry into degree study, you must have passes in Mathematics and Physical Science at Level 6 and English Home Language, or First Additional Language and Life Orientation at Level 4. Two of the three other subjects must be passed on Level 4.

#### 2. Diploma Study

- 2.1 Must obtain at least 40% for Home Language
- 2.2 Must obtain at least 40% for THREE other subjects, excluding Life Orientation
- 2.3 Must obtain at least 30% for TWO other subjects
- 2.4 Must obtain at least 30% in the Language of Learning and Teaching (LOLT) of the Higher Education Institution where you intend studying
- 2.5 Must pass at least six out of seven subjects

#### 3. Higher Certificate Study

- 3.1 Must obtain at least 40% in Home Language
- 3.2 Must obtain at least 40% in TWO other subjects
- 3.3 Must obtain at least 30% in FOUR other subjects
- 3.4 Must pass at least six out of seven subjects

## 4.1. UNDERSTANDING THE PROGRAMME CHOICE LIST

### Senior Certificate

Minimum entry requirements for applicants who have written their Senior Certificate are shaded lemon.

**Example:** Matric Exemption with Maths 'D' HG/'A' SG and Agric Sci or Biol or Phys Sci 'E' HG/'C' SG

This means that your Senior Certificate or Statement of Symbols must state that you have been granted an 'endorsement'. In addition, you must have passed Mathematics with 'D' on Higher Grade or 'A' on Standard Grade and at least one of Agricultural Science, Biology or Physical Science with 'E' on Higher Grade or 'C' on Standard Grade. If you qualify for an Ordinary Conditional Exemption, you could be considered for programmes specifying 'Matric Exemption', provided the other subject requirements are met.

### N3/N4

Minimum entry requirements for applicants who have studied at a Technical Vocational Education and Training College (TVET) are shaded mint.

**Example:** N3 with two main subjects 'D' and Grade 12 Engl SG

This means that you must have an N3 pass. In addition, you must have passed two subjects with 'D' and Grade 12 English on Standard Grade.

### NC(V)

Minimum entry requirements for applicants who have written National Certificate (Vocational) are shaded lilac.

**Example:** NC(V) with two Civil Engineering subjects 5 and Engl and Maths and Phys Sci 4

This means that you must have an NC(V) pass in a relevant learning field. You must have passes in three compulsory vocational subjects at Level 5 and English and Maths and Physical Science at Level 4.

### Other Requirements

If there are other entry requirements such as an N Dip, the list will tell you what qualification you must have to enter these programmes. If you do not already have this qualification, you should apply for that programme first.

### Foreign Qualifications

The following are considered to be equivalent to the South African degree entry requirements:

#### GCE

**Five passes in GCE as well as two at 'A' level:**

- 'A' level passes must be A, B, C, D or E
- 'O' level passes must be A, B or C

**Five passes in GCE as well as four at 'AS' level:**

- 'A' level passes must be A, B, C, D or E
- 'O' level passes must be A, B or C
- 'AS' level passes must be A, B, C or D

Applicants from SADC countries who have five passes at 'O' level, including English language, may be considered for diploma study.

#### HIGCSE/IGCSE

**Passes in five subjects, four of which must be at HIGCSE level:**

- HIGCSE passes must be 1, 2 or 3
- IGCSE passes must be A, B or C

Applicants who wish to enter degree programmes are required to have passes in English language and one other language, and must usually have also passed Maths.

## 4.1. UNDERSTANDING THE PROGRAMME CHOICE LIST

The Matriculation Board gives details of requirements for those with other qualifications. Applicants should apply for a 'Foreign' or 'Foreign Conditional' Matric Exemption from the Matriculation Board. Institutions will usually assist with this, or you can consult the Matriculation Board directly.

### The Matriculation Board

P O Box 3854, Pretoria, 0001  
1267 Pretorius Street, Hatfield, Pretoria, 0001

☎ 010 591 4401/2

Website: mb.usaf.ac.za • Email: applications@usaf.ac.za

Those wishing to enter diploma programmes may be required to have their qualifications assessed to confirm that they are equivalent to the South African Senior Certificate. This evaluation is carried out by South African Qualifications Authority (SAQA). If you need to contact SAQA, you must ask for the Quality Assurance Department. The cost of an assessment varies, depending on the level of priority. Conditions are on the SAQA website.

### South African Qualifications Authority

Postnet Suite 248, Private Bag X06, Waterkloof, 0145

☎ 012 431 5000

Website: www.saqa.org.za • Email: saqainfo@saqa.org.za

## Institution and Campus Codes

(See pages 238-240 for an explanation of abbreviations used in entry requirements).

### Universities and Universities of Technology

Sections with **blue headings** indicate universities and universities of technology study Programme Choice Lists. See example below:

1. ACCOUNTING, FINANCIAL MANAGEMENT								
Programme name	Programme code	Closing date	Min. points	Minimum entry requirements	Entry term	Course duration	Access route	Notes
<b>UNIVERSITIES AND UNIVERSITIES OF TECHNOLOGY</b>								
<b>DEGREE STUDY</b>								
B Com Accounting Science	ZU-M-BAS	31-Oct	28	NSC Deg with Engl and Maths 4	1	4 yrs		
			28	Matric Exemption with Engl and Maths 'D' HG/C: SG N5 or N6 with two additional languages Engl and Maths 5 or Engl and Maths 'C' HG/B: SG				
B Com in Accounting	KN-F-BCN	30-Sep	32	NSC Deg with Maths 5 and Engl and LO 4	1	3 yrs	N	Applicants with 15 points or more in English and Life Orientation and Mathematics Level 5 will be considered for early selection
B Com in Accounting	KN-W-BCN	30-Sep	36	Matric Exemption with Maths 'D' HG/ B: SG	1	3 yrs	N	

### Private Colleges

Sections with **orange headings** indicate private college study Programme Choice Lists. See example below:

1. ACCOUNTING, FINANCIAL MANAGEMENT								
Programme name	Programme code	Closing date	Min. points	Minimum entry requirements	Entry term	Course duration	Access route	Notes
<b>PRIVATE COLLEGES</b>								
<b>DEGREE STUDY</b>								
Bachelor of Commerce in Accounting	PE-D-BIA	31-Jan-2022	25	NSC Deg with Maths 4 NCV 4 Deg with level 4 or 50% in Engl and LO and Maths and 70% in four vocational subjects chosen from the NCV (INF 4) subjects. The NCV (INF 4) subjects must be related to the degree for which you are enrolling.	1	3 yrs		
<b>DIPLOMA STUDY</b>								
Dip Accounting	IC-D-PAG			NSC H Cert Senior Cert	1	3 yrs		
Dip Financial Management	RB-D-PPM			NSC Senior Cert	1	2 yrs		

### Entry Requirements:

Minimum entry requirements **shaded pink: NSC 2008 onwards**

Minimum entry requirements **shaded mint: N3, N4**

Minimum entry requirements **shaded lemon: Senior Cert up to 2015**

Minimum entry requirements **shaded lilac: NC(V)**

## 4.1. UNDERSTANDING THE PROGRAMME CHOICE LIST

INSTITUTION	CAMPUS
<b>UNIVERSITIES AND UNIVERSITIES OF TECHNOLOGY</b>	
DU – Durban University of Technology	B – Brickfield
	C – City
	D – ML Sultan/Steve Biko
	F – EDU - Durban
	G – EDU - PMB
	I – Indumiso
	P – Pietermaritzburg
MN – Mangosuthu University of Technology	M – Main
KN – University of KwaZulu-Natal	E – Edgewood
	H – Howard College
	M – Medical School
	P – Pietermaritzburg
	W – Westville
ZU – University of Zululand	A – Kwa-Dlangezwa (Main)
	M – Kwa-Dlangezwa (Main)
	R – Richards Bay
<b>PRIVATE COLLEGES</b>	
AA – AAA School of Advertising	B – Bryanston
BC – Berea College of Technology	C – Cape Town
BT – Berea Technical College	D – Durban
DC – Central Technical College	D – Durban
EM – STADIO (Institute of Higher Education)	B – Bellville
	C – Centurion
	D – Durban (Musgrave)
	H – Hatfield
	J – Johannesburg
	K – Krugersdorp
	P – Pretoria
	R – Randburg
	W – Waterfall
	X – Distance

INSTITUTION	CAMPUS
<b>PRIVATE COLLEGES</b>	
IS – iStudent	B – Bloemfontein
	C – Cape Town
	D – Durban
	J – Johannesburg
MC – MANCOSA	P – Pietermaritzburg
	C – Cape Town
	D – Durban
PE – Eduvos	B – Bedfordview
	C – Claremont
	D – Durban
	E – East London
	F – Potchefstroom
	K – Vanderbijlpark
	L – Bloemfontein
	M – Midrand
	N – Nelson Mandela Bay
	O – Mbombela
	P – Pretoria
	T – Tyger Valley
	V – Durbanville
PX – PAX College	D – Durban
RB – Regent Business School	D – Durban
RG – Richfield Graduate Institute of Technology	D – Durban

**Each study programme/qualification has its own closing date. Applications and administration fees that reach the CAO before or on such closing dates are given a 'Waiting for a Decision' status.**

---

### **FIRST SEMESTER 2027 ENTRY**

Applications and/or administration fees received after the programme closing date receive a 'Late Application' status but the on time fee of R250 is still applicable. Generally, programmes with a late status are considered after programmes received before the programme closing date.

Applications and/or administration fees received from 1 November 2026 for the January 2027 Entry receive a 'Late Application' status and the late fee of R470 is applicable.

### **SECOND SEMESTER 2027 ENTRY**

If received on or before 31 May 2027, the on-time administration fee for the second semester (July/Aug) 2027 Entry is R250.

Applications and/or administration fees received from 1 June 2027 for the second semester (July/Aug) 2027 Entry receive a late application status and a late administration fee of R470 is applicable.

**NOTE:** International applicants on time administration fee is R300 and late administration fee is R580.

# 4.2. Programme Choices by Career Direction 2026/2027

## TABLE OF CONTENTS

### 1. ACCOUNTING, FINANCIAL MANAGEMENT ..... 45

B Com Accounting Science.....	45
B Com in Accounting.....	45
Bachelor of Business Science in Finance.....	45
Bachelor of Business Science in Investment Science.....	45
Bachelor of Commerce in Accounting (Extended Curriculum).....	46
B Com Augmented (Banking and Business Management).....	46
B Com Augmented (Business Management and Accounting).....	46
B Com Augmented (Business Management and Economics).....	46
B Com Augmented (Economics and Banking).....	46
B Com Augmented (Economics and Human Resources Management).....	46
B Com Augmented (Human Resources Management and Business Management).....	46
B Com Augmented (Accounting & Economics).....	47
B Com Augmented (Accounting and Auditing).....	47
Diploma in Accounting.....	47
Diploma in Accounting (4 Year Foundation Programme) ...	48
Diploma in Accounting (ECP).....	48
Diploma in Cost & Management Accounting.....	48
Diploma in Internal Auditing.....	49
Diploma in Internal Auditing (4 Year Foundation Programme).....	49
Diploma in Local Government Finance.....	49
Diploma in Management Accounting.....	50
Diploma in Public Finance & Accounting.....	50
Diploma in Public Finance & Accounting (ECP).....	51
Diploma in Taxation.....	51
Diploma in Taxation (4 Year Foundation Programme).....	51
Advanced Diploma in Accounting.....	51

Advanced Diploma in Cost and Management Accounting ....	51
H Cert Accountancy.....	52
Accounting Bridging Course.....	52
B Com Financial Management.....	52
B Com in Accounting.....	52
Bachelor of Commerce in Accounting.....	53
B Com in Accounting.....	53
Bachelor of Commerce in Accounting (Distance Mode)...	54
Bachelor of Commerce in Accounting.....	54
Diploma in Accounting.....	55
Dip Financial Management.....	55
Adv Cert in Financial Planning.....	55
H Cert Accounting.....	56
H Cert Tax Administration.....	56
H Cert in Islamic Finance, Banking and Law.....	56
Higher Certificate in Accounting.....	56
P G Dip in Accounting.....	56
P G Dip Islamic Finance and Banking.....	56
N N Dip Financial Management.....	57
N Cert Financial Management N4, N5, N6.....	57
N Cert Financial Management N4, N5, N6 (p/t).....	57
National Certificate: Financial Management (N4).....	58
National Certificate: Financial Management (N5).....	58
National Certificate: Financial Management (N6).....	58
National N Diploma: Financial Management (NQF 6).....	58
Adv Dip in Financial Management.....	58
BSc Access Programme (Accounting).....	59

### 2. ADMINISTRATION ..... 60

B Admin.....	60
B Admin: Public Administration and Business Management.....	60
B Admin: Public Administration and Economics.....	60
B Admin: Public Administration and Human Resources.....	60
B Admin: Public Administration and Political Science.....	60
B Business Administration.....	60

Dip Business & Information Management.....	61
Diploma in Business and Information (4 Year Foundation Programme).....	61
Diploma in Office Management & Technology.....	62
B Business Administration.....	62-63
B Public Administration.....	63
Bachelor of Business Administration.....	63-64
Dip Business Administration (3 yr).....	64
Adv Cert Business Administration.....	64
Adv Cert Commerce.....	64
H Cert Business Administration.....	64
H Cert Office Administration.....	64
H Cert Business Administration (Distance).....	64
H Cert in Recognition of Prior Learning Activities (RPL).....	64
Hons B Business Administration.....	65
Hons B Public Administration.....	65
Bachelor of Business Administration (Honours).....	65
D B A (Doctor of Business Administration).....	65
N Cert Management Assistant N4, N5, N6 (p/t).....	66
N N Dip Legal Secretary.....	66
N N Dip Management Assistant.....	66
N N Dip Medical Secretary.....	66
Postgraduate Diploma in Digital Business.....	66

### 3. AGRICULTURE/NATURE CONSERVATION ..... 67

B A Environmental Planning & Development.....	67
B Agricultural Management.....	67
B Sc Agric: Plant Pathology.....	67
B Sc Agric: Soil Science.....	67
B Sc Agric: Agri-Business.....	67
B Sc Agric: Agricultural Economics.....	67
B Sc Agric: Agricultural Plant Sciences.....	67
B Sc Agric: Agronomy.....	68

B Sc Agric: Animal & Poultry Science .....	68
B Sc Agric: Animal Science .....	68
B Sc Agricultural Economics: Agribusiness Management .....	68
B Sc Environmental Science .....	68
Bachelor of Applied Science in Nature Conservation .....	68
Diploma in Agriculture: Animal Production .....	69
Diploma in Agriculture: Animal Production (ECP) .....	69
Diploma in Agriculture: Crop Production .....	69
Diploma in Agriculture: Crop Production (ECP) .....	69
Diploma in Community Extension .....	69
Diploma in Nature Conservation .....	70
Diploma in Sustainable Horticulture and Landscaping .....	70
Adv Dip Agriculture: Animal Production .....	70
Adv Dip in Agricultural Extension and Community Development .....	70
Adv Dip Nature Conservation .....	70
Advanced Diploma in Agriculture: Crop Production .....	71
Master of Nature Conservation .....	71
Postgraduate Diploma in Nature Conservation .....	71

#### 4. COMMUNICATION/JOURNALISM ..... 72

B A in Intercultural Communication .....	72
Bachelor of Journalism .....	72
Diploma in Language Practice .....	72
Dip Media Studies .....	72
B Com Corporate Communication .....	73
H Cert Social Media and Communication .....	73

#### 5. CONSTRUCTION/SURVEYING ..... 74

B Sc Land Surveying .....	74
Bachelor of the Built Environment in Construction Studies .....	74
Bachelor of the Built Environment in Geomatics .....	74
Diploma in Building .....	75
Diploma in Building (ECP) .....	75
Diploma in Built Environment in Construction Studies .....	76
Diploma in Surveying .....	76
Diploma in Surveying (ECP) .....	77
Access Course Building .....	77
Access Course Surveying .....	77

#### 6. CRIME PREVENTION AND SECURITY ..... 78

B A Correctional Studies .....	78
Bachelor of Policing Practices .....	78
Diploma in Policing .....	79
Higher Certificate in Computer Forensics .....	79
Bachelor of Policing Practices (Honours) .....	79
Doctor of Policing .....	79
Master of Policing Practices .....	79

#### 7. EDUCATION ..... 80

Bachelor of Education in Foundation Phase Teaching .....	80
Bachelor of Education in Senior Phase & FET Teaching: Economic and Management Sciences .....	80
Bachelor of Education in Senior Phase & Further Education & Training Teaching - Electrical Technology .....	80
Bachelor of Education in Senior Phase & Further Education & Training Teaching - Mechanical Technology .....	80
Bachelor of Education in Senior Phase & Further Education and Training Teaching: Languages .....	81
Bachelor of Education in Senior Phase & Further Education and Training Teaching: Natural Sciences .....	81
B Ed (Foundation Phase) Grade R - 3 .....	81
B Ed (Intermediate Phase) Grade 4 - 6 .....	82
B Ed (Senior Phase/Further Education & Training) Grade 7 - 12 .....	82
Bachelor of Education in Senior Phase and Further Education and Training Teaching - Civil Technology .....	83
Bachelor of Education in Senior Phase and Further Education and Training Teaching .....	83
Bachelor of Education in Foundation Phase Teaching .....	83
Bachelor of Education in Intermediate Phase Teaching .....	84
P G Cert in Education in Further Education and Training Teaching .....	84
P G Dip Educational Management & Leadership .....	84
Postgraduate Certificate in Education for Senior and FET Phase .....	84
Postgraduate Certificate in Education (PGCE) in Further Education and Training Teaching .....	85

Postgraduate Certificate in Education (PGCE) in Further Education and Training Teaching (pt) .....	85
Higher Certificate in Pre-School Education .....	85
Higher Certificate in Educational Technology .....	86
Bachelor of Education Honours in Inclusive Education .....	86
Bachelor of Education Honours in Mathematics .....	86
Bachelor of Education Honours in Gender Studies .....	86
Higher Certificate in Education Assistance .....	87
Advanced Diploma in Technical and Vocational Teaching .....	87

#### 8. ENGINEERING ..... 88

B Eng Electrical Engineering and Computer Engineering .....	88
B Eng Electrical Engineering .....	88
B Eng Mechanical Engineering .....	88
B Sc Engineering: Agricultural .....	88
B Sc Engineering: Chemical .....	88
B Sc Engineering: Civil .....	88
B Sc Engineering: Computer .....	88
B Sc Engineering: Electrical .....	88-89
B Sc Engineering: Electronic .....	89
B Sc Engineering: Mechanical .....	89
Bachelor of Engineering Technology in Chemical Engineering .....	89
B Sc Engineering Extended Programme .....	89
Bachelor of Engineering Technology in Civil Engineering .....	90
Bachelor of Engineering Technology in Electronic Engineering .....	90
Bachelor of Engineering Technology in Industrial Engineering .....	90
Bachelor of Engineering Technology in Mechanical Engineering .....	91
Bachelor of Engineering Technology in Power Engineering .....	91
B Eng Mechatronic Engineering .....	91
Diploma in Chemical Engineering .....	92
Diploma in Civil Engineering .....	92
Diploma in Civil Engineering (ECP) .....	92
Diploma in Electrical Engineering .....	93

Diploma in Electrical Engineering (ECP).....	93
Diploma in Engineering Technology in Civil Engineering.....	93
Diploma in Mechanical Engineering .....	94
Diploma in Mechanical Engineering (ECP) .....	94
Access Course Chemical Engineering .....	95
Access Course Civil Engineering .....	95
Access Course Electrical Engineering.....	95

## 5. CONSTRUCTION/SURVEYING

Programme name	Programme code	Closing date	Min. points	Minimum entry requirements	Entry term	Course duration	Access route	Notes
<b>UNIVERSITIES AND UNIVERSITIES OF TECHNOLOGY</b>								
<b>DEGREE STUDY</b>								
B Sc Land Surveying	KN-H-BSL	30 Sep	33	NSC Deg with Maths and Phys Sci 5 (65%) and Engl and LO 4 (50%) and two 20 credit subjects	1	4 yrs	X	This programme will consider all choices.
			33	Matric Exemption with Maths and Phys Sci 'C' HG				
Bachelor of the Built Environment in Construction Studies	DU-D-BBU	30 Sep		NSC Deg with Engl 4 and Maths 4/Technical Mathematics 5 and Phys Sci 4/Technical Science 5 and two 20 credit subjects (not more than one lang) 4	1	3 yrs		* See Note 1 below
				Senior Cert with Engl and Maths and Phys Sci 'E' HG/'C' SG				
				NC(V) 4 with 60% in Engl and LO and 70% in Maths and Phys Sci and three other vocational subjects				
Bachelor of the Built Environment in Geomatics	DU-D-BBE	30 Sep		NSC Deg with Engl 4 and Maths 4/Technical Mathematics 5 and Phys Sci 4/Technical Science 5 and two 20 credit subjects (not more than one lang) 4	1	3 yrs		* See Note 2 below
				Senior Cert with Engl and Maths and Phys Sci 'E' HG/'C' SG				
				NC(V) 4 with 60% in Engl and LO and 70% in Maths and Phys Sci and three additional vocational subjects related to the field at 70%				

\* **NOTE 1:** First preference will be given to applicants who never studied previously at any other university. Applicants with a NSC will be ranked according to the sum of their scores for Mathematics and Physical Science, subject to a minimum combined score of 100%. Prospective applicants that qualify for degree study at an institution of higher learning (Bachelor's Pass) but do not meet the departmental Maths and/or Phys Sci requirements may present the following N4 subjects for consideration for entry into this programme: Maths and Engineering Science. A minimum of 60% must be achieved for these subjects in the Mathematics and Engineering Sciences. The NSC subject Mathematical Literacy will NOT be accepted as a substitute for the NSC subject Mathematics. Students will then be ranked alongside the NSC students according to the sum of their marks for N4 Maths and Engineering Science. Meeting the minimum admission requirements does NOT guarantee selection.

\* **NOTE 2:** First preference will be given to applicants who never studied previously at any other university. This programme will only consider 1st, 2nd, 3rd and 4th choice applicants. Please Note: Applicants will be ranked according to the sum of their scores for Mathematics and Physical Science subject to a minimum score of 100%. The NSC subject Mathematical Literacy will NOT be accepted as a substitute for the NSC subject Mathematics. Meeting the minimum admission requirements does NOT guarantee selection.

<b>PRIVATE COLLEGES</b>								
<b>CERTIFICATE STUDY</b>								
Higher Certificate in Educational Technology	BC-D-HET			NSC H Cert	1	1 yr		On successful completion of the programme, the student will receive a Berea College of Technology Higher Certificate in Educational Technology.
				Senior Cert				
				Any NQF Level 4 qualification or equivalent				
<b>HONOURS STUDY</b>								
Bachelor of Education Honours in Inclusive Education	EM-D-HIE			Four-year professional teaching degree, or Appropriate bachelor's degree and a recognised teaching qualification, or A four-year professional teaching qualification and Advanced Diploma in a cognate sub-field of Education	1	1.5 yrs		
Bachelor of Education Honours in Mathematics	MC-D-HE7			The minimum academic entry requirements for the Bachelor of Education Honours in Mathematics Education is an M+4 or NQF Level 7 qualification from an accredited provider of higher education institution through one of the following degree types: a) Four-year professional teaching degree, For e.g. Bachelor of Education degree with Mathematics or composite degrees such as Bachelor of Arts in Education with mathematics specialization; or Appropriate bachelor's degree and a recognised teaching qualification, For e.g. Bachelor of Science (Mathematics Specialization) and Postgraduate Certificate in Education; or c) A four-year professional teaching qualification and Advanced Diploma in a cognate sub-field of Education. Applicants must submit certified copies of the academic record and qualification certificate for their cognate qualification. To enrol onto the programme, applicants need to have obtained an average of 55% for their previous NQF level 7 qualification and to have obtained a minimum of 50% for all Mathematics/Applied Mathematics modules in the final year of mathematics specialisation.	1	1 yr		Upon completion of this qualification, Applicant can apply for M.Ed. MBA, MPA.
Bachelor of Education Honours in Gender Studies	MC-D-BHG			Four-year professional teaching degree, or Appropriate bachelor's degree and a recognised teaching qualification, or A four-year professional teaching qualification and Advanced Diploma in a cognate sub-field of Education	1	1 yr		

BC - BEREA COLLEGE OF TECHNOLOGY; D-DURBAN • EM – STADIO; D-DURBAN • MC – MANCOSA; D-DURBAN

- \* **NOTE 1:** First preference will be given to applicants who never studied previously at any other university. Applicants will only be considered if they place this programme as choice 1, 2 or 3. Minimum 28 points excluding LO. Ranking criteria applies. Applicants will be subjected to entrance tests and are required to submit a portfolio, the details will be provided by the Department. Shortlisted candidates will be invited to an interview. Applicants must be 18 or older in 2027 and be physically fit. Applications received until 31 Aug will be considered. The NSC subjects Mathematical Literacy and Technical Mathematics will NOT be accepted as a substitute for the NSC subject Mathematics. The NSC subject Technical Science will not be accepted as a substitute for the subject Physical Science. Meeting the minimum admission requirements does NOT guarantee selection.
- \* **NOTE 2:** First preference will be given to applicants who never studied previously at any other university. Applicants will only be considered if they place this programme as choice 1. Applicants may be required to write an entrance test, visit clinical training centres and spend at least 8 hours in the discipline specific department (Proof of letter from the Head of Department is required) and attend interviews prior to final acceptance into the radiography programme. The NSC subjects Mathematical Literacy and Technical Mathematics will NOT be accepted as a substitute for the NSC subject Mathematics. The NSC subject Technical Science will not be accepted as a substitute for the subject Physical Science. Meeting the minimum admission requirements does NOT guarantee selection.
- \* **NOTE 3:** First preference will be given to applicants who never studied previously at any other university. Applicants will only be considered if they place this programme as choice 1. Minimum 28 points excluding LO. Ranking criteria applies. Applicants will be subjected to entrance tests and are required to submit a portfolio, the details will be provided by the Department. Shortlisted candidates will be invited to an interview. Applicants must be 18 or older in 2027 and be physically fit. Applications received until 31 Aug will be considered. The NSC subjects Mathematical Literacy and Technical Mathematics will NOT be accepted as a substitute for the NSC subject Mathematics. The NSC subject Technical Science will not be accepted as a substitute for the subject Physical Science. Meeting the minimum admission requirements does NOT guarantee selection.
- \* **NOTE 4:** First preference will be given to applicants who never studied previously at any other university. Top applicants will be invited to participate in a placement test and an interview. Selected applicants will also be encouraged to complete at least 8 hours of voluntary service in a Prosthetic and Orthotic environment, for which a voluntary practice report must be submitted. The NSC subjects Mathematical Literacy and Technical Mathematics will NOT be accepted as a substitute for the NSC subject Mathematics. The NSC subject Technical Science will not be accepted as a substitute for the subject Physical Science. Meeting the minimum admission requirements does NOT guarantee selection.

				Matric Exemption with Engl and Maths and Biol and Phys Sci 'D' HG/ 'B' SG				
				NC(V) 4 with 70% in Engl and Maths and Phys Sci 70% and Life Sci/Biol 70%				
Bachelor of Health Sciences in Chiropractic	DU-D-CHI	15 Aug		NSC Deg with Engl and LO and Maths 4 and Life Sci and or Phys Sci 4 and two additional 20 credit subjects (not more than one lang) 4	1	4 yrs		<b>* See Note 3 below</b>
				Matric Exemption with Engl and Maths and Phys Sci and or Biol 'D' HG/'B' SG				
				NC(V) 4 with 70% in Engl and Maths and Phys Sci and Life Sci/Biol				

- \* NOTE 1:** First preference will be given to applicants who never studied previously at any other university. Applicants will undergo an interview. Matric results and ranking the programme as 1st or 2nd choice will also be used for ranking applicants for acceptance into the programme. Applicants with 25 points and more stand a greater chance of selection into the programme. The NSC subjects Mathematical Literacy and Technical Mathematics will NOT be accepted as a substitute for the NSC subject Mathematics. The NSC subject Technical Science will not be accepted as a substitute for the subject Physical Science. Meeting the minimum admission requirements does NOT guarantee selection.
- \* NOTE 2:** First preference will be given to applicants who never studied previously at any other university. Applicants are required to submit an assignment. Selected candidates will be invited for a personal interview and entrance tests. All students who successfully complete the B Health Sciences Homeopathy will be eligible for entry into the M Health Sciences Homeopathy. Applicants with 28 points and more stand a greater chance of being selected. The NSC subjects Mathematical Literacy and Technical Mathematics will NOT be accepted as a substitute for the NSC subject Mathematics. The NSC subject Technical Science will not be accepted as a substitute for the subject Physical Science. Meeting the minimum admission requirements does NOT guarantee selection.
- \* NOTE 3:** First preference will be given to applicants who never studied previously at any other university. Applicants must be over 17 years old and physically fit. Selected candidates will be invited to complete an assignment and attend an interview. Successful applicants are required to complete the Master of Health Sciences in Chiropractic to comply with minimum registration requirements of the AHPCSA. Initial short listing is based on the applicants subject selection profile in Grade 11 and or Grade 12. Applicants whose application has been declined due to poor academic achievement in grade 11 may reapply to the programme should they be able to show improved academic performance in the final grade 12 examinations. Those applicants who wish to reapply should notify the department of their intention to reapply. In order for the application to be considered, the applicant must submit the final grade 12 results to the Department as soon as these results are available. The NSC subjects Mathematical Literacy and Technical Mathematics will NOT be accepted as a substitute for the NSC subject Mathematics. The NSC subject Technical Science will not be accepted as a substitute for the subject Physical Science. Meeting the minimum admission requirements does NOT guarantee selection.

Applicants are required to attend an interview. Only 1st choice applicants will be considered. Meeting the minimum admission requirements does NOT guarantee selection.
				Senior Cert with Engl and Maths and Biol or Phys Sci and two additional subjects 'E' HG/'C' SG				
				NC(V) level 4 with English at 60%, Maths 60% / Maths Lit 70%, Phys Sci or Life Sci at 60% and any 2 subjects at 60%				

\* **NOTE 1:** Preference will be given to 1st, 2nd and 3rd choice applicants. Closing date for this programme is 30 September. We regret that applications received after this date cannot be considered. Applicants who studied/studying at a tertiary institution must submit a certified copy of an academic record not later than 08 January 2027. Students are required to undergo clinical training/placements at training sites outside Durban (some of which may be in rural KZN) as part of their mandatory HPCSA/SAPC/SANC clinical training. Such placements are compulsory, non-negotiable, may be on rotational and/or longitudinal basis and may be extended up to a year or longer. Whilst the University/College of Health Sciences will provide clinical training in collaboration with the KZN Dept of Health, in line with UKZN regulations, students are responsible for the cost of travel, accommodation and the basic costs of living, as applicable to and in the placement site.

# 17. PERFORMING ARTS

				Senior Cert or equivalent qualification				
Diploma in Jewellery Design and Manufacture	DU-C-DJM	30 Sep		NSC Dip with Engl and four 20 credit subjects (not more than one lang) 3	1	3 yrs		* See Note 4 below
				Senior Cert				

\* **NOTE 1:** First preference will be given to applicants who never studied previously at any other university. A Creative, logistical and personality assessment as well as personal interview are arranged. A portfolio/collection consisting of six pieces of your own work comprising of an art portfolio, designs of garments and any other fashion related items must be presented personally at the interview. Portfolios in electronic format will not be accepted or considered. (Portfolios should not be sent to the Department or the Central Applications Office as these will not be considered or returned). Meeting the minimum admission requirements does NOT guarantee selection.

\* **NOTE 2:** First preference will be given to applicants who never studied previously at any other university. Prospective students are required to present a portfolio of specified artwork and successfully complete a programme selection test, which consists of critiquing a selected artwork and doing a still life drawing, and personal interview convened and assessed by a programme panel. Meeting the minimum admission requirements does NOT guarantee selection.

\* **NOTE 3:** To be considered for Interior Design interviews, you must choose Interior Design as your first or second choice when applying through CAO. The NSC subjects, Visual arts, Design and Engineering, Graphic and Design are recommended subjects but are not prerequisite. Students are selected on the merits of a portfolio (10 original drawings not copied from photographs) in pencil, pencil crayon or other mediums (e.g., ink, pastels, magic marker), and undergo a personal interview and complete a drawing test, as well as a written questionnaire. Please note that this programme will only consider 1st and 2nd choice applicants. The portfolio is to consist of a minimum of 10 original drawings NOT copied from photographs, in pencil, pencil crayon or other mediums (e.g., ink, pastels, magic marker) comprising of: • Architectural details e.g., Column capitals, entrance doors, windows, etc. • Furniture e.g., chairs tables, period pieces, etc. • Ornaments e.g., lamps and vases • Manmade objects e.g., shoes, hats, briefcase, etc. • Mechanical objects e.g., Keys, eggbeater, kitchen equipment, etc. • Natural forms e.g., flowers, shells, etc. • Technical Drawings (any technical/construction drawings showing draughting, if taught at school) Drawings should be on paper and should be submitted in a folder (at the interview), with the applicant's name clearly HAND LETTERED on the front. The applicant's name should appear on every drawing.

\* **NOTE 4:** In addition to the General Rules, Prospective Jewellery Design students must submit a portfolio of specified artwork and successfully complete a programme selection test and personal interview convened and assessed by a programme panel. The NSC subjects Visual arts, Design and Engineering, Graphics and Design are recommended but are not a pre-requisite. The NSC rating code of 3 or higher is required for the subject English. Portfolios are to be submitted at the interview. The Portfolio is to consist of any of your work that you have done to date (drawings or crafts). Interviews/Testing All applicants have to present themselves for an interview and test at the Department.

Accreditation No.: ACC/2011/05/676 QCTO SDP: 011907030-1765

## 4.4. Alternative Access Route Programmes

Institutions offer alternative access/extended programmes to help applicants who may not meet the entry requirements for specific degrees and diplomas. Some of the programmes, when successfully completed, allow you to be considered for admission to a particular mainstream programme of study.

In other programmes, you are admitted directly to degree or diploma studies, and the initial modules are spread over a longer period than normal.

Programmes with access routes are indicated in the Programme Choice List. The letter/number in the access route column in the Programme Choice Lists indicates which access programme applies.

Institution	Programme	Access Route Reference	Programme Code	Course Duration	Minimum Entry Requirements	Closing Date	Additional Notes
MANGOSUTHU UNIVERSITY OF TECHNOLOGY	Access Course Analytical Chemistry	A	MN-M-ANA	6 mths	NSC Dip with Engl and Maths/Technical Mathematics and Phys Sci /Technical Science 3 <b>OR</b> Senior Cert with Engl and Maths and Phys Sci 'E' SG <b>OR</b> N3 with Maths and Phy Sci and Grade 12 Engl and another lang	30 Sep	Contact 031 819 9299 or email: info@mut.ac.za for more details. The closing date for this programme is 30 September.
						31 May 2026	Contact 031 819 9299 or email: info@mut.ac.za for more details. The closing date for this programme is 31 May. Second semester.

## 4.4. ALTERNATIVE ACCESS ROUTE PROGRAMMES

Institution	Programme	Access Route Reference	Programme Code	Course Duration	Minimum Entry Requirements	Closing Date	Additional Notes
MANGOSUTHU UNIVERSITY OF TECHNOLOGY	Access Course Building	B	MN-M-BUB	1 yr	NSC Dip with Engl 3 and Maths/Technical Mathematics and Phys Sci /Technical Sciences 3 <b>OR</b> Senior Cert with Engl and Maths and Phys Sci 'F' HG/'E' SG <b>OR</b> N3 with Maths and Phys Sci or Engineering Science and Grade 12 Engl SG <b>OR</b> NC(V) 4 with Engl and Maths and Phys Sci 4 and Construction Materials and Construction Technology 6 <b>OR</b> Satisfactory achievement rating code in their Home Language (4)	30 Sep	This course may not be repeated. Contact 031 819 9299 or email: info@mut.ac.za for more details.
	Access Course Chemical Engineering	C	MN-M-CEB	6 mths	NSC Dip with Engl HL/FAL 3 and Maths /Technical Mathematics 3 and Phys Sci /Technical Sciences 3 <b>OR</b> Senior Cert with Engl and Maths and Phys Sci 'F' HG/'E' SG <b>OR</b> N3 or N4 with a minimum of 50% in Maths and Eng Sci and Grade 12 Engl 'E' SG or level 3 <b>OR</b> NC(V) 4 with 40% in Engl and Maths and 50% in Phys Sci <b>OR</b> GCE, GCSE, IGCSE or Cambridge School Certificate with 5 subjects at O Levels including Maths and Sci and Engl A/B/C. Three of the five must be passed in the same exam sitting (SAQA Certificate Required)	30 Sep	Contact 031 819 9299 or email: info@mut.ac.za for more details. The closing date for this programme is 30 September. This course may not be repeated.
					31 May 2026	Contact 031 819 9299 or email: info@mut.ac.za for more details. The closing date for this programme is 31 May. This course may not be repeated. Second semester.	
	Access Course Civil Engineering	D	MN-M-CVB	6 mths	NSC Dip with Engl HL/FAL 3 and Maths /Technical Mathematics 3 and Phys Sci /Technical Science 3 <b>OR</b> Senior Cert with Engl 'E' HG/SG and Phys Sci or Maths 'F' HG/'E' SG <b>OR</b> N3 with Maths and Phys Sci and Grade 12 Engl SG <b>OR</b> GCE, GCSE, IGCSE or Cambridge School Certificate with 5 subjects at O Levels including Maths and Sci and Engl A/B/C. Three of the five must be passed in the same exam sitting (SAQA Certificate Required)	30 Sep	Contact 031 819 9299 or email: info@mut.ac.za for more details. The closing date for this programme is 30 September. This course may not be repeated.
					31 May 2026	Contact 031 819 9299 or email: info@mut.ac.za for more details. The closing date for this programme is 31 May. This course may not be repeated. Second semester.	

## 4.4. ALTERNATIVE ACCESS ROUTE PROGRAMMES

Institution	Programme	Access Route Reference	Programme Code	Course Duration	Minimum Entry Requirements	Closing Date	Additional Notes
MANGOSUTHU UNIVERSITY OF TECHNOLOGY	Access Course Electrical Engineering	E	MN-M-EEB	6 mths	NSC Dip with Home Lang 4 and FAL 3 and Maths / Technical Mathematics and Phys Sci / Technical Sciences 3 <b>OR</b> Senior Cert with Engl 'E' HG/ 'D' SG and Maths and Phys Sci 'F' HG/'E' SG <b>OR</b> N3 with Maths and Phys Sci and Grade 12 Engl SG <b>OR</b> GCE, GCSE, IGCSE or Cambridge School Certificate with 5 subjects at O Levels including Maths and Sci and Engl A/B/C. Three of the five must be passed in the same exam sitting (SAQA Certificate Required)	30 Sep	Contact 031 819 9299 or email: info@mut.ac.za for more details. The closing date for this programme is 30 September. This course may not be repeated.
						31 May 2026	Contact 031 819 9299 or email: info@mut.ac.za for more details. The closing date for this programme is 31 May. This course may not be repeated. Second semester.
	Access Course Mechanical Engineering	F	MN-M-MEB		NSC Dip with Home Lang 4 and FAL 3 and Maths / Technical Mathematics and Phys Sci / Technical Sciences 3 <b>OR</b> Senior Cert with Eng 'E' HG/'D' SG and Maths and Phys Sci 'D' HG/'C' SG <b>OR</b> N3 with Maths and Phys Sci and Grade 12 Engl SG <b>OR</b> GCE, GCSE, IGCSE or Cambridge School Certificate with 5 subjects at O Levels including Maths and Sci and Engl A/B/C. Three of the five must be passed in the same exam sitting (SAQA Certificate Required)	30 Sep	Contact 031 819 9299 or email: info@mut.ac.za for more details. The closing date for this programme is 30 September. This course may not be repeated.

						31 May 2026	Contact 031 819 9299 or email: info@mut.ac.za for more details. The closing date for this programme is 31 May. This course may not be repeated. Second semester.

## 4.4. ALTERNATIVE ACCESS ROUTE PROGRAMMES

Institution	Programme	Access Route Reference	Programme Code	Course Duration	Minimum Entry Requirements	Closing Date	Additional Notes
UNIVERSITY OF KWAZULU-NATAL	Bachelor of Commerce in Accounting (Extended Curriculum)	N	KN-P-BCO/ KN-W-BCO	4 yrs	NSC Deg with 28 points and Engl and LO and Maths 4	30 Sep	Students who have attended the University or any other tertiary institution, whether in a degree or access programme of any kind for a complete semester, will not be admitted to the Bachelor of Commerce Extended Curriculum (Accounting).
	B Com Extended Curriculum (General)	O	KN-P-BCG/ KN-W-BCG	4 yrs	NSC Deg with 26 points and Engl and LO 4 and Maths 3	30 Sep	Students who have attended the University or any other tertiary institution, whether in a degree or access programme of any kind for a complete semester, will not be admitted to the Bachelor of Commerce Extended Curriculum (General).
	B Soc Sc Extended Curriculum (4 yrs)	R	KN-H-SO4/ KN-P-SO4	4 yrs	NSC Deg with 20 points and Engl and LO 4 and one of: Bus Stud, Cons Stud, Dram Arts, Econ, Geog, Hist, Info Tech, Life Sci, Maths, Maths Lit, Music, Religion Stud, Vis Arts, any lang HL/FAL 5 <b>OR</b> Matric Exemption with 24 points	30 Sep	Students must be from schools with quintiles 1-3. Students who have attended the university or any other tertiary institution whether in a degree or access programme of any kind for a complete semester will not be admitted to this programme. Meeting the minimum requirement APS does not guarantee admission, as placement is subject to the availability of space and the selection process.
	B Sc Engineering Extended Programme	X	KN-H-UNP	5 yrs	NSC Deg with 33 points and Engl and Maths and Phys Sci and LO 4	30 Sep	Students who have attended UKZN or any other tertiary institution for a complete semester will not be admitted.

## 5.1. CAO's Communication with You

### How do I know whether my application has been received?

- When you applied online you would have immediately received an abridged message stating 'Application Submitted Successfully'. If you paid the administration fee at the same time that you applied, you will receive a message within 24 hours and an emailed Acknowledgement Letter stating that your application is available to the institution/s to which you have applied. (Refer to Terms and Conditions on page 6 of the Handbook).
- If you did not pay the administration fee at the same time, you will receive a message within 24 hours and an emailed letter stating that your application has been received by CAO and has been placed on hold. Your application will be ACTIVE and available to the institutions to which you have applied as soon as the FULL administration fee is received. (Refer to Terms and Conditions on page 6 of the Handbook).
- If you have not paid the administration fee, you will receive an automated message reminder to pay the administration fee every fortnight.
- Once the institution has made a selection decision, the CAO will inform you by message if you have been unsuccessful and by message and email if you have been made an offer.
- If at any point during the application cycle you wish to change any of your choices, complete the online 'Change of Mind' and once received together with the COM administration fee, the change(s) is/are immediately available to the institution(s) and we inform you by email that the new choices have been made available to institutions. Our website is [www.cao.ac.za](http://www.cao.ac.za)

## 5.2. Institutions' Communication with You

### Who makes selection decisions?

Institutions make selection decisions. The CAO does NOT make selection decisions. The CAO receives applications, processes the applications and passes on the information to the institutions. Institutions use the information to make their selection decisions and inform the applicant. Sometimes institutions also inform the CAO of their selection decision and the CAO then passes the decision on to the applicant.

### When are offers made?

Institutions make selection decisions (conditional offers, firm offers, regrets, etc.) throughout the year. The earlier in the year you apply, the earlier you may receive the selection decision.

### How will I know if I have been selected?

If you have given us your email address or cell phone number, we will send you a message when a decision is made on any of your programme choices. As soon as you are made an offer, we will communicate this to you. Some institutions may also send you letters or messages informing you of your offer.

### How do I accept an offer?

You must inform the institution and NOT the CAO about whether you wish to accept the offer. They should send you a letter or message detailing the procedures you must follow. If they give you a deadline to accept a place, it is important that you reply within that time or the place will be offered to someone else. Most institutions will ask you to pay a non-refundable Acceptance of Offer fee to secure your place. This fee

will usually count towards your registration and tuition fees. PLEASE DO NOT pay this money to the CAO. Consult the institution regarding the details of how and when you need to respond and pay.

### How do I decline an offer?

If you have decided not to accept the offer, please communicate this directly to the respective institution.

### What happens after I have accepted an offer?

Once you have accepted a place and paid the deposit requested, the institution should send you details of registration. First semester registration takes place between the second week of January and the beginning of February. Second semester registration takes place between June and August. Check the institutions' websites for details.

### Where do I send my application as an international applicant?

- If you are applying for short-term study, apply directly to the institution.
- If you are applying to **UKZN** only, apply directly to the institution.
- For other institutions and choices at more than one institution, apply through the CAO at [www.cao.ac.za](http://www.cao.ac.za).

### How do I apply as an international applicant?

An international applicant is a person who is not a citizen or permanent resident of South Africa, or a refugee/asylum seeker with a permit

allowing study. The higher education institutions of KwaZulu-Natal welcome applications from international applicants for their formal degree, diploma and certificate programmes. Some institutions also offer the opportunity to study in South Africa for one semester or one year. DUT and UKZN do not accept international applicants into their access programmes. Applications to study Medicine at UKZN are considered ONLY from citizens of Lesotho and applicants must apply via their governments. You will require a study permit if you wish to come to South Africa to study. This does not apply to distance learning students who study in their home countries.

Once you have a letter offering you a place from the further or higher education institution, you can apply to the South African embassy, high commission, consulate or trade office for your study permit. The permit application will take up to eight weeks to be processed. Acceptance by an institution does not place any obligation on the South African government to issue or renew study permits. DO NOT leave home before your study permit is granted – you will not be allowed to study on a visitor's permit. You cannot apply for your first permit after you arrive in South Africa. People who are in South Africa for study purposes are not eligible to apply for South African citizenship. Refugee and asylum seeker applicants require documentation from the Department of Home Affairs granting permission to study in South Africa.

## 5.3. What do the Different Statuses Mean?

We use specific terms to indicate what progress the institution has made in considering your application.

- 1. Waiting for a Decision:** The institution has not yet considered your application (This is the default status for on time applications).
- 2. Late Application:** Even though a programme's closing date may have been reached or passed, applicants may still apply and will be considered after all the 'on-time' applications have been considered. Refer to the institutions' prospectus for further information. This is a default status for applications received after a closing date.
- 3. Awaiting Results:** The institution is waiting for further results (e.g. June, Trial or Final NSC results) before making a decision on your application.
- 4. Conditional Offer:** The institution will accept you provided that you meet the requirements. Where space is limited, these may be higher than the minimum requirements for the programme published in this Handbook. Some programmes may require assessment tests at registration. This may be withdrawn if you do not indicate that you want to accept the place or if your final results are not as good as your earlier results.
- 5. Firm Offer:** You are offered a place by the institution. This may be withdrawn if you do not indicate that you want to accept the place or if your final results are not as good as your earlier results.
- 6. Has Not Met Programme Ranking Criteria:** You do not meet the institution's specific criteria. Refer to the institutions' prospectus for further information. You may complete a Change of Mind Request Form on which you can change the programme ranking.
- 7. Interview/Audition/Portfolio:** The programme has special selection procedures. Institutions should contact you with details of the date, time and venue. You may need to follow up with the institution directly.
- 8. Please Supply Academic Record:** The institution requires a copy of your academic record from your current or previous study at tertiary level.
- 9. Please Supply USAf/SAQA Evaluation:** The institution requires a Universities South Africa (USAf)/SAQA evaluation of the foreign exam results you may have written.
- 10. Applications Closed:** The application and/or administration fee was received after the closing date for the programme and the application will not be considered.
- 11. Refer for Decision:** The application has to be assessed before the status can be changed.
- 12. Regret Programme Discontinued:** The institution has decided that they will no longer be offering a programme that was initially listed in this Handbook. In some cases, institutions may advise on an alternative programme that you can apply for. Complete a Change of Mind Request Form at no cost to yourself to replace this programme. Any other changes will attract the change of mind administration fee.
- 13. Regret Unsuccessful:** The institution has decided not to offer you a place for whatever reason according to their selection processes.
- 14. Short-listed, Standby and Wait-listed:** The institution is considering your application but has not yet decided whether they will be able to offer you a place.
- 15. Unsuccessful Following Placement Test/Interview:** The institution has decided not to offer you a place following the entrance test you wrote or the interview you attended. There are also a number of messages the institution can use to tell you that they are unable to offer you a place.

## 6.1. Find out what You're Good at

### How do I decide what to study?

You may be feeling quite stressed out about making this BIG decision and unsure how to choose a career that will be right for you... Well – relax, follow these self-help steps, including the quiz on your working personality, and you'll be a whole lot more equipped to make a good choice when you're done!

Knowing which careers or jobs suit you is a process of discovery. The 'Helping you decide on your career' section is about finding out what you are good at, what kind of person you are, what careers are out there and then matching this information together. It's also about listening to your gut feeling because you are the expert on yourself! Very often you actually know what career directions seem interesting to you, but you may need some confirmation of this in order to feel more confident about your choice.

The CAO has included this section to give you more information to help you make your choices. Choosing what to study and knowing what career direction this will lead you to is a really important choice that will affect you for a long time. So, put in the effort to gather the right information about yourself and your career choices.

### Self-help steps

On a scale of 1 to 10, rate how ready you feel to make a career choice?

1 means that you feel very unprepared and 10 means you feel you have all the information you need to make a good choice. If you've chosen a number less than 10, you need more preparation, so keep going!

Okay, let's get started with gathering more information to help you to make a good study choice.

### Knowing yourself

To learn more about yourself, you're going to need a pen, no really, you're going to need to go and get a pen; you've got some self exploring to do!

#### Look at the descriptions below.

For each number, choose either the **grey** description or the **red**. Circle the one that sounds most like you.

'People's person'	'Your own person'
Confident with large groups of people	Someone who enjoys smaller groups of people
Inspired and energised by being with people a large portion of the day	Someone who enjoys their own company
Friendly and outgoing	Reserved and often a 'deep thinker'
A person who has a wide social network	Comfortable spending time 'one on one' with a good friend or a few close friends
Spending the whole weekend going out with friends and family sounds like fun	Having some time with friends and family as well as having some space sounds relaxing

Using a different colour pen, ask someone who knows you well to circle the descriptions they think sound like you. On what side do you have more circled descriptions?

**GREY** – Many GREY answers suggest that you enjoy spending time with many different people for a large part of your day, and meeting new people. Your future career probably needs to focus a lot on people.

## 6.1. FIND OUT WHAT YOU'RE GOOD AT

**RED** – Many RED answers suggest that you enjoy your own space and work well on your own. Be careful of jobs in which you will have a lot of contact with people!

For each description, circle either the **grey** or **red** side.

'Study focused'	'Practically minded'
Someone who enjoys studying and theory	Someone who enjoys doing
Someone who enjoys memorising work	Someone who enjoys working with their hands
Well read	Realistic and handy
Academically talented	A practical thinker
Someone who loves book learning	Interested in knowing how things work or how to do tasks

Which side have you got more circled descriptions in?

**GREY** – If you have circled more GREY descriptions, then perhaps you will like the courses on offer at university.

**RED** – If you chose more of the RED options, then you may prefer courses on offer at universities of technology or Technical Vocational and Education Training (TVET) colleges. But be careful – this is not always the case. Find out how much study and memorising versus practical work and in-situation training is involved in the study direction you choose.

Rate three of the following interests that sound like you!

A	Scientifically minded
B	A teacher, trainer, leader who enjoys serving or caring for people
C	Creative and imaginative – perhaps artistic or musical
D	Accurate, good with numbers and calculations
E	Someone who loves language and writing
F	Business minded and persuasive
G	Orderly, organised and time orientated
H	Technically minded

Here are some ideas of the careers these interests could lead you to.

A	Marine Biology, Biological Sciences, Geography, Agriculture, Nature Conservation, Animal Science, Computer Science/Information Technology, Food Technology, etc.
B	Teaching, Management, Medicine, Nursing, Social Work, Psychology, Dentistry, Optometry, Radiography, Occupational Therapy, Policing, etc.
C	Performing Arts, Fine Art, Graphic Design, Interior Design, Photography, Video Technology, etc.
D	Accounting and Bookkeeping, Financial Information Systems, Financial Management, Taxation, Auditing, etc.
E	Journalism, Media, Translation, Interpretation, etc.
F	Management, Marketing, Public Relations, etc.
G	Administration, Office Management, Secretarial, Computer Studies, etc.
H	Engineering, Operations Management, Surveying, Building, etc.

*Certain types of people match certain types of careers. Sometimes parents, friends or your community may try to push you towards a career that you know you're not right for. Sometimes your friends are all studying something – so you feel you should too. Other times you hear that you might get a bursary for a certain course and this makes you want to choose it. Be careful, as you will spend a large amount of your life working... and working in the wrong job can be stressful and unfulfilling.*

Knowing what careers you really wouldn't like to do is VERY important too... Write down five careers you wouldn't like to do. Knowing what you don't want to do is just as important as knowing what you want to do. Perhaps you don't really like the idea of working with and caring for people, so a job in teaching, nursing or social work puts you off. Maybe you don't enjoy working with numbers, so careers in engineering or accounting seem unexciting.

Write down two careers you feel someone else would like you to do that you don't think are really right for you...

Think of the three school subjects you did well in or enjoyed. Write these down. These are strong areas for you and could be used in your future career. Was there a subject you wished you could have taken that was not offered by your school?

The Department of Higher Education and Training has a **Career Advice Service** where fully qualified Career Advisors provide career information, guidance and advice by telephone:

Call them on 086 999 0123

Website [www.careerhelp.org.za](http://www.careerhelp.org.za)

Email them on [careerhelp@dhet.gov.za](mailto:careerhelp@dhet.gov.za) or [callcentre@dhet.gov.za](mailto:callcentre@dhet.gov.za)

OR communicate with them via Facebook at [www.facebook.com/careerhelp](https://www.facebook.com/careerhelp)

### Which subjects were your least favourite?

When choosing your career, make sure your career does not need you to be good at the things you are not good at! After these seven steps, you've probably put in quite a lot of thought about the kind of person you are. It's so important to 'match' who you naturally are to a career that is right for you. Continue to fill in the following quiz, which describes four different working personality types. Which one are you?

This next section of Self-Help Steps is about jobs that are out there. This is very important because if you don't know about different careers, you can't make a well informed choice!

### Knowing about careers

On a scale of 1 to 10, rate how much you know about what jobs are out there in the world of work. 1 means you feel you have little knowledge of what jobs exist and 10 means you feel you know quite a bit about the variety of careers there are to choose from.

1 2 3 4 5 6 7 8 9 10

If you rated your knowledge as less than a 10, read on to build up your knowledge of careers and improve your score.

**First things first:** to get into a career, you usually need to study. Do you know the difference between NC(V), certificate, diploma and degree study? Do you know about distance learning, and part-time and full-time study options? If not, have a look at pages 224-225.

Okay, let's think about what jobs are out there. Have a look at the 'programme choice list' in this Handbook and read through the career directions. Are there any career directions there that you don't know about? Write these down. Then have a look through the relevant pages

## 6.1. FIND OUT WHAT YOU'RE GOOD AT

in the booklet itself, for example Computer Science on page 111. You will see that you can study towards different degrees or diplomas in this career direction.

You will notice that there are different entry requirements for these options; they take different amounts of time to complete, and can be studied at different tertiary study institutions. Page 31 tells you exactly how to read and understand the 'Programme Choice List'.

***So you realise there are some gaps in your career knowledge, but how do you find out more about careers you don't know about? Here are some ideas...***

- Ask your Life Orientation (LO) teacher, parent or another adult to explain more about the career directions you're unsure of.
- Perhaps you have a family friend, neighbour or relative who does the job you are interested in finding out more about. Speak to them about their job.
- Use the contact info on pages 228 to 237 to check online for more information on your institution of choice and the career direction that seems interesting to you. Have a look at [www.pacecareers.com](http://www.pacecareers.com). This great website provides a lot of information about different types of jobs and careers. It also gives you ideas about where to find out further information, such as through professional bodies or associations. Do their extremely helpful quiz to find out more about what careers you might suit.
- You could also look in your school or public library for books on careers.

Now that you've done some research into the career directions, rate which three sound most interesting to you. ***Look these up in the Programme Choice List to see how to study towards them.***

Another way to refine your knowledge of your top three career directions is to speak to people working in these fields. You could phone a company in the industry to find out more. If they are not too busy, people are often very flattered to tell you about what they do. Phone them and say, "... Good morning/afternoon, my name is \_\_\_\_ and I want to study towards a career in \_\_\_\_\_. I am trying to find out more about what the career involves on a day-to-day basis. I would really appreciate speaking to someone in this career in your company".

Before you make this call, write down the questions you need to ask, e.g., what do you do on a day-to-day basis; are there jobs available in this career; what is the earning potential; how many hours do you work a week? etc. Remember to thank the person for their time!

You could also phone the institution you are thinking of studying through and ask to speak to their career counsellor. Many institutions have one of these and the service is free of charge. Or you could speak to the Admissions Office for details about the content of programmes. See contact details on pages 228 to 237.

After you have followed the steps above, rate your knowledge of careers.

1 2 3 4 5 6 7 8 9 10

Wow! Your career knowledge has grown! Well done.

***You are well on your way to being ready to make a good career choice if you can tick these 12 statements:***

- I am taking responsibility for my career choices and have done a lot of research into my future career.
- I know what career directions interest me.
- I know if I'd like to work with people or on my own.
- My career interests now stay the same and don't change much from day to day.
- I know what I am good at and what I am not good at doing.
- I know what school subjects and marks I need in order to apply for the career courses I'm interested in.
- I feel that I am being realistic about my future career options and that I will be using my skills and talents.
- I know that when I work in my chosen career it will be important to feel satisfied with the work.
- Other people are not making these decisions for me.
- I am planning to stick to my chosen study path not to 'just try it out' and figure something out later if it doesn't suit me.
- I have spoken to people who are in the job I am thinking about and I know what the average work day, salary and responsibilities for this job are.
- I know how to use the Programme Choice List and make my application to the CAO.

***Congratulations on working through these steps towards making a good career decision! By now you probably feel a lot more confident in your ability to make a good career choice.***

***Read on for a few more tips!***

### **Paying for your studies**

***How you will finance your studies is also a very important thing to think about when making your career choice. There are different ways of doing this:***

**Loans** – Most funding is in the form of a loan and loans need to be paid back to the institution you are borrowing from.

**Bursaries** – These are grants or monetary aid given to needy students or students who show good potential. These don't need to be paid back but you may need to work for the company who gave you the bursary for a few years.

A copy is usually available at the institution or on their financial aid web pages. A copy is also available at our office.

### **How can you find out more about loans and bursaries?**

- Tertiary education institutions, except private colleges, have Financial Aid Offices that assist students with finance (see pages 228 to 237 for contact details).

## 6.1. FIND OUT WHAT YOU'RE GOOD AT

- **[www.nsfas.org.za](http://www.nsfas.org.za)**

A National Student Financial Aid Scheme (NSFAS) study loan or bursary is for students who do not have the financial means to fund their studies. NSFAS loans and bursaries are for studies at public universities and TVET colleges and don't require parents or guardians to give surety. Tel: 0800 067 327; email: [info@nsfas.org.za](mailto:info@nsfas.org.za); postal address: Private Bag X1, Plumstead, 7801, South Africa.

- **[www.hcifoundation.co.za](http://www.hcifoundation.co.za)**

HCI's bursary programme provides financial assistance to academically deserving and financially needy students in any field of study, for a first, full-time qualification at a university or university of technology registered with the Department of Education.

- **[www.pacecareers.com](http://www.pacecareers.com)**

Pace Careers' website includes, among other useful information, a list of available bursaries:

- **[www.gostudy.net/bursaries](http://www.gostudy.net/bursaries)**

These are grants or monetary aid given to needy students or students who show good potential. These don't need to be paid back but you may need to work for the company who gave you the bursary for a few years.

Distance learning or part-time study options can be cheaper and allow you to earn while you learn. Some of these study options are listed in pink in this booklet, but most require you to apply directly to the institution.

**Contact the relevant tertiary institution (see pages 228 to 237) for approximate costs and then fill in the following 'study budget calculator' to decide whether you can afford your course of study.**

## STUDY BUDGET CALCULATOR

<b>Tuition fees</b> (contact institutions for details)	R
<b>Residence</b> (if you won't be able to live at home or with relatives)	R
<b>Food</b> (unless you will be living at home)	R
<b>Travel</b> (daily travel to campus, travel at the beginning and end of term)	R
<b>Books and equipment</b>	R
<b>Personal expenses</b> (clothes, toiletries, medical bills, entertainment, etc.)	R
<b>Total cost of one year</b>	R
Multiply the total cost for one year by the number of years that the programme lasts:	
<b>Total cost (one year) R</b> x no. of years    = total cost of programme	<b>R</b>

## 6.2. Career Personalities Quiz

Do this self-assessment quiz as a guide for yourself as to what your working personality might be, and what types of careers and programmes of study might suit you. Answer the questions as honestly as you can. It is not a test and there are no wrong answers. For each pair of questions, choose the one that best describes you, and circle the letter of your choice, like this:

### EXAMPLE

(A) Do you prefer mealie meal for breakfast? OR (B) Do you prefer bread for breakfast?

### ▼ START HERE

- (A)** Do you think you are a more 'hands on' practical person? OR **(B)** Do you think you are more of an ideas person?
- (A)** Do you like to work with facts that you know are true, and to arrive at definite answers? OR **(B)** Do you like to deal with ideas and problems where there is no one clear factual answer?
- (A)** Do you like to be given clear instructions before you start a task? OR **(B)** Do you like to be given the task, and then work out your own way of doing it?
- (A)** Do you like to do tasks where it is important to be accurate? OR **(B)** Do you like to do tasks where you have to use creative thinking to solve a problem?
- (A)** Do you like to solve problems and to approach your work in a step-by-step way? OR **(B)** Do you like to rely on clever ideas and moments of inspiration?

Now total up your **As** and **Bs** for the five questions.

A =

B =

C =

D =

Now answer the following questions:

- (C)** Do you usually make decisions to get the right end result? OR **(D)** Do you usually make decisions to make other people happy?
- (C)** Is it more important to be fair in your dealings with people? OR **(D)** Is it more important to be caring in your dealings with people?
- (C)** Is it more important to try to solve a person's problem? OR **(D)** Is it more important to comfort the person who has a problem?
- (C)** Would you prefer to work where you have to think clearly? OR **(D)** Would you prefer to work where you look after people and their needs?
- (C)** Is it more important to work in a place where you will get a lot of work done? OR **(D)** Is it more important to work in a place where people get along well together?

Now total up your **Cs** and **Ds** for the five questions.

## 6.2. CAREER PERSONALITIES QUIZ

The purpose of this page is to lead you to the animal symbol that you can use as a guide when you are choosing a career direction and programmes of study. On pages 220 and 221 you will find a list of the animal symbols and career opportunities that are suited to those working personalities.

Fill in your scores here:

A =

B =

C =

D =

If you scored more **As** and more **Cs**, this suggests that you are an '**Ant person**'.

If you scored more **As** and more **Ds**, this suggests that you are a '**Bee person**'.

If you scored more **Bs** and more **Cs**, this suggests that you are an '**Eagle person**'.

If you scored more **Bs** and more **Ds**, this suggests that you are a '**Honeyguide person**'.

The purpose of this page is to help you to find out if you are more ORGANISED or more FLEXIBLE. The information might help you when you come to choose a career direction and programmes of study. Each working personality type can be either more organised or more flexible.

Answer the following questions to find out if you are more organised or more flexible:

- 1 (E) Do you prefer to have one clear focus in your work? OR (F) Do you prefer to have a variety of things on the go?
- 2 (E) Do you prefer to work according to a set plan? OR (F) Do you prefer to respond to things as they come up?
- 3 (E) Do you like to make decisions that are final? OR (F) Do you like to make decisions that can be changed, or to avoid making decisions until the last minute?

Now total up your **Es** and **Fs** for the three questions.

E =

F =

If you got more **Es**, this would indicate that you tend to be more organised. You will probably find that you work better when there is a defined daily routine and you can make clear-cut decisions.

If you got more **Fs**, this would indicate that you tend to be more flexible. You might find that you work better in an environment that allows you to manage your own time and gather plenty of information before making a decision.

## ANT (INTUTHWANE)

Ants are incredible creatures. They live in large colonies, working extremely hard for the common good. They can carry ten times their own weight and build huge structures.

Some people, like ants, are very helpful to others and do practical things to keep society organised and running smoothly. Ant people are often good administrators, and can organise an office, a social function or a business well. Whether working with facts or figures or helping others, Ant people are usually fair and objective. Justice is important to them.

Ant people are very good at working with detailed, factual information, and remembering facts. They follow directions well when doing complicated work.

**CAUTION:** There are exceptions, but most Ant people may not be comfortable in the following careers:

- Performing Arts • Communication/ Journalism • Psychology

They can be objective and logical. Ant people play an important role in holding society together through good and bad times.

Statistics show that Ant people often succeed at these careers. However, with enough interest and determination, you could probably succeed at almost anything.

## BEE (INYOSI)

Bees work hard to gather pollen to make honey, and they care for their queen and their babies.

Unlike bees, Bee people do not often sting! They are warm, friendly people, who like to be of service to others. They care about people's feelings and they like harmony in relationships. Although they may be either shy or outgoing, their focus on the practical needs of others is central to their character.

Bee people are practical, and they like to approach tasks in a step-by-step way. They are often found organising social and community events. In their approach to the world, Bee people may be matter-of-fact, and when making decisions, they are likely to take into account how others will be affected by the outcome.

Statistics show that Bee people often succeed at these careers. However, with enough interest and determination, you could probably succeed at almost anything.

## EAGLE (UKHOZI)

Eagles perch in high trees and can see far into the distance. This enables them to plan effectively. They are quick to swoop down on their prey.

Eagle people focus on the whole picture rather than the details, and they value their 'hunches' or gut feelings. They are good at working with complicated ideas. They tend to work in bursts of energy and to do things their own way. When dealing with people or groups of people, they may have deep understanding and insight into their situations. They usually prefer to make decisions using their heads rather than their hearts, as they value justice and fairness.

Eagle people are also excited by possibilities, by how things could be done differently and better.

Statistics show that Eagle people often succeed at these careers. However, with enough interest and determination, you could probably succeed at almost anything.

## HONEYGUIDE (INHLAVA)

Honeyguides are different from other creatures – they communicate with people and animals, leading them to the bees' nest so that they can get honey. They make sure that the route they show them is safe and one that they can follow.

Honeyguide people are warm and enthusiastic, value their 'hunches' and gut feelings and are ruled more by their hearts than their heads. They are good at communicating with others, and they often want to save those who are in trouble. Honeyguide people like to live their lives according to the things that are important to them. Although they are usually gentle, they get angry when others do not respect what is important to them. For this reason, Honeyguide people often find themselves in situations where they are defending causes,

organising people or involved in communication.

Statistics show that Honeyguide people often succeed at these careers. However, with enough interest and determination, you could probably succeed at almost anything.

Communication/Journalism .....	72

Visual Arts and Design .....	197

**CAUTION:** There are exceptions, but most Honeyguide people may not be comfortable in the following careers: • Administration & Management • Accounting/Financial Management • Manufacturing • Construction/Surveying. **REMEMBER:** Honeyguide people will not be happy if they do not believe in what they are doing.

## 6.3. Relating Learning Fields to Careers

### HUMANITIES AND SOCIAL SCIENCES

Learning Fields	Most Common Undergraduate Qualifications	Possible Career Directions
LANGUAGES	Bachelor of Arts	Journalism, television, creative writing, advertising, translation, copywriting, broadcasting, library and information management, publishing, media and communications
HUMAN AND SOCIAL STUDIES	Bachelor of Social Science Bachelor of Law A range of diplomas, e.g. National Diploma in Human Resource Management	Law, human resources, labour relations, history, sociology, psychology, social work, archaeology, geography, environmental management, cartography, management, marketing, theology, politics, public and international relations, museums, public administration
ARTS AND CULTURE	Bachelor of Music, Visual Art, Drama Studies, Fine Arts A range of diplomas, e.g. National Diploma in Jewelry Design and Manufacturing, National Diploma in Drama, National Diploma in Photography	Painting, sculpture, music, theatre, acting, dance, performing arts technology, photography, graphic art, design, film and television production, computer graphics and animation
SERVICES	A range of diplomas, e.g. National Diploma in Tourism Management, National Diploma in Hospitality Management	Travel, tourism, leisure, catering, community services, hotel and restaurant services, real estate, crime prevention, game ranging

Universities South Africa (USAf) discontinued the NiSHE project in 2016. Learners in need of career advice are advised to visit the Department of Higher Education, Science and Technology career development (Khetha) site for information [www.careerhelp.org.za](http://www.careerhelp.org.za)

## SCIENCES AND APPLIED SCIENCES

Learning Fields	Most Common Undergraduate Qualifications	Possible Career Directions
<b>BUSINESS, COMMERCE AND MANAGEMENT STUDIES</b>	Bachelor of Commerce A range of diplomas, e.g. National Diploma in Financial Management	Accountancy, taxation, insurance, auditing, financial planning, actuarial science, information systems, banking, business, imports and exports, marketing and sales, office management and technology, administration, organisational psychology, commercial law
<b>AGRI-CULTURAL SCIENCE</b>	Bachelor of Agriculture A range of diplomas, e.g. National Diploma in Agricultural Management	Agricultural management and extension, farming, animal husbandry, crop production, nature conservation, forestry, environmental management, horticulture
<b>ENGINEERING AND TECHNOLOGY</b>	Bachelor of Science in Engineering A range of diplomas, e.g. National Diploma in Engineering	Engineering (e.g. civil, mechanical, electrical, industrial, electronic, metallurgical), manufacturing technology (e.g. textile, pulp and paper, food), mining, telecommunications, computer engineering and programming, transport and logistics, geographic information systems, information and data management, urban and regional planning, surveying, architecture, construction
<b>PHYSICAL, MATHEMATICAL, COMPUTER AND LIFE SCIENCES</b>	Bachelor of Medicine and Bachelor of Surgery, Bachelor of Pharmacy, Bachelor of Dental Science, Bachelor of Nursing, a range of diplomas, e.g. National Diploma in Biotechnology	Health professions related to wide fields of medicine, psychiatry, dentistry, veterinary science, pharmacy, nursing and health and rehabilitation sciences, e.g. physiotherapy, radiography, occupational therapy, audiology, dietetics and nutrition, primary healthcare, community health, maternal and child health, forensic science, speech therapy, chiropractic, homeopathy, healthcare technology, occupational health, palliative medicine, sports medicine, emergency medical care
	Bachelor of Science, Bachelor of Architectural Studies (this degree straddles the humanities and the sciences. It requires strong performance in Mathematics and Visual Arts.) A range of diplomas, e.g. National Diploma in Information Technology	Various science and computer science related fields, e.g. archaeology, astronomy, bioinformatics, biotechnology, botany, zoology, chemistry, physics, demography, ecology, geology, hydrology, information technology, statistics, soil science, environmental science, marine biology, ocean and atmosphere science, biochemistry, biotechnology, human biosciences, microbiology, entomology, ichthyology

## 6.4. Qualification Types

<b>DEGREE</b>	Degree study develops the ability to work with ideas, to think in terms of systems, to experiment and to communicate	Study at a university and some programmes at private colleges lead to a degree	Some degree programmes prepare graduates for the workplace, but graduates in most disciplines will require on-the-job training to equip them for their future careers	A growing focus on inter-disciplinary studies and programmes helps students to develop the flexibility to respond to the challenges they will face
<b>DIPLOMA</b>	Diploma study is vocation-based (trade-based), and develops career-oriented skills and practical knowledge	Initial study at a university of technology or some courses at comprehensive universities and private colleges can lead to a diploma	Diploma programmes train high-level person power – people who are ready to start work on completion of their studies	The institutions work hard to maintain close partnerships with commerce and industry, ensuring that they are sensitive to the needs of the communities they serve. They strive to establish research programmes so that they will be able to provide technological leadership
<b>CERTIFICATE</b>	Skills-based education for people who may not have completed Grade 12 or may not qualify for diploma study	It concentrates on developing trained, skilled and qualified employees by placing a strong emphasis on hands-on training	These courses are offered at some universities of technology, technical vocational education and training (TVET) colleges and private colleges	A practical component is part of all courses, often in a real workplace situation
<b>NC(V)</b>	Skills-based education for people who may not have completed Grade 12 or may not qualify for diploma study	It concentrates on developing trained, skilled and qualified employees by placing a strong emphasis on hands-on training	These courses are offered at TVET colleges and private colleges	Vocational study helps students to develop marketable skills in their chosen vocational field. An accelerated NC(V) course, taking 18 months, will be available soon for students who have completed the NSC or Senior Certificate
<b>POSTGRADUATE</b>	Postgraduate study is for applicants who have already studied at a higher education institution and have a degree or a diploma	If you do not have a qualification, you must apply for either a degree or a diploma		

Teaching staff are actively involved in research; some are world experts in their fields	Instruction is theoretical and classroom- or laboratory-based. Students learn how to learn and evaluate	Most degree programmes last three or more years. Institutions may grant credits towards degrees for relevant courses passed at other recognised institutions	
Students are instructed through a combination of theoretical study and practical experience, in many cases in an appropriate work situation. Students learn how to apply their knowledge in real-life situations	The diploma is awarded on successful completion of the third year, and those who wish to pursue their studies further can usually register for a Bachelor of Technology, which requires a further one year full-time or two years part-time study		
Students who complete a certificate programme may be considered for admission to diploma study in related fields at universities of technology or can continue with advanced study at a TVET or private college	The DHET TVET Colleges Bursary Fund provides financial assistance to deserving and motivated students who cannot otherwise afford to study		
The NC(V) is offered in fields of study ranging from Tourism to Education & Development and from Safety in Society to Management	The NC(V) covers three years of study, and a certificate is awarded after each year. A practical component is part of all courses, often in a real workplace situation	Students who complete an NC(V) or N4 may be considered for admission to diploma study in related fields at universities of technology or can continue with advanced study at a TVET or private college	The DHET TVET Colleges Bursary Fund provides financial assistance to deserving and motivated students who cannot otherwise afford to study

## 6.5. Applicants with Disabilities

The South African Constitution recognises the human rights of all South Africans, including those with disabilities. Discrimination on the basis of disability is against the law and persons with disabilities are included in the category of previously disadvantaged in terms of the country's transformation agenda. Persons with disabilities, therefore, need to be given equal opportunities to access post-school education and training so that they too may achieve their full potential. According to Article 1 of the United Nations Convention on the Rights of Persons with Disabilities (2007), "Persons with disabilities include those who have long-term physical, mental, intellectual or sensory impairments which in interaction with various barriers may hinder their full and effective participation in society on an equal basis with others." The South African White Paper on the Rights of Persons with Disabilities (2015) reiterates the rights of persons with disabilities, including the right to access education at all levels.

School-leavers with disabilities are encouraged to contact organisations of persons with disabilities, the disability rights unit or student support services department of the institution at which they wish to study if they have any queries about access to studies. School-leavers with disabilities are also encouraged to inform the institution's disability rights unit or student support department about their access needs prior to beginning their studies so that the necessary reasonable accommodation can be arranged. It is hoped that we will see increasing numbers of students with disabilities at all post-school education institutions – it is your right to access education!

Zoology 168, 171-177

**Each study programme/qualification has its own closing date. Applications and administration fees that reach the CAO before or on such closing dates are given a 'Waiting for a Decision' status.**

---

### **FIRST SEMESTER 2027 ENTRY**

Applications and/or administration fees received after the programme closing date receive a 'Late Application' status but the on time fee of R250 is still applicable. Generally, programmes with a late status are considered after programmes received before the programme closing date.

Applications and/or administration fees received from 1 November 2026 for the January 2027 Entry receive a 'Late Application' status and the late fee of R470 is applicable.

### **SECOND SEMESTER 2027 ENTRY**

If received on or before 31 May 2027, the on-time administration fee for the second semester (July/Aug) 2027 Entry is R250.

Applications and/or administration fees received from 1 June 2027 for the second semester (July/Aug) 2027 Entry receive a late application status and a late administration fee of R470 is applicable.

**NOTE:** International applicants on time administration fee is R300 and late administration fee is R580.

# CREATE YOUR OWN FUTURE

The **University of Zululand** has produced **globally competitive graduates** for more than **65 years**. Our alumni occupy influential positions in the science, business, education, legal and political sectors.

*Let us also prepare you for your dream career!*

We offer a variety of academic programmes in the **faculties of Science, Agriculture and Engineering; Education; Humanities and Social Sciences; and Commerce, Administration and Law.**

At the **University of Zululand**, we believe in promoting a culture of learning in an environment that is conducive to personal growth and academic development.

As a prospective student, you have an opportunity to pursue a degree that fits your area of interest and become what you **desire** to be.
